In Appreciation of Their Wise and Devoted Leadership

We The Class of 1936

Dedicate This Volume of Our "Oracle"

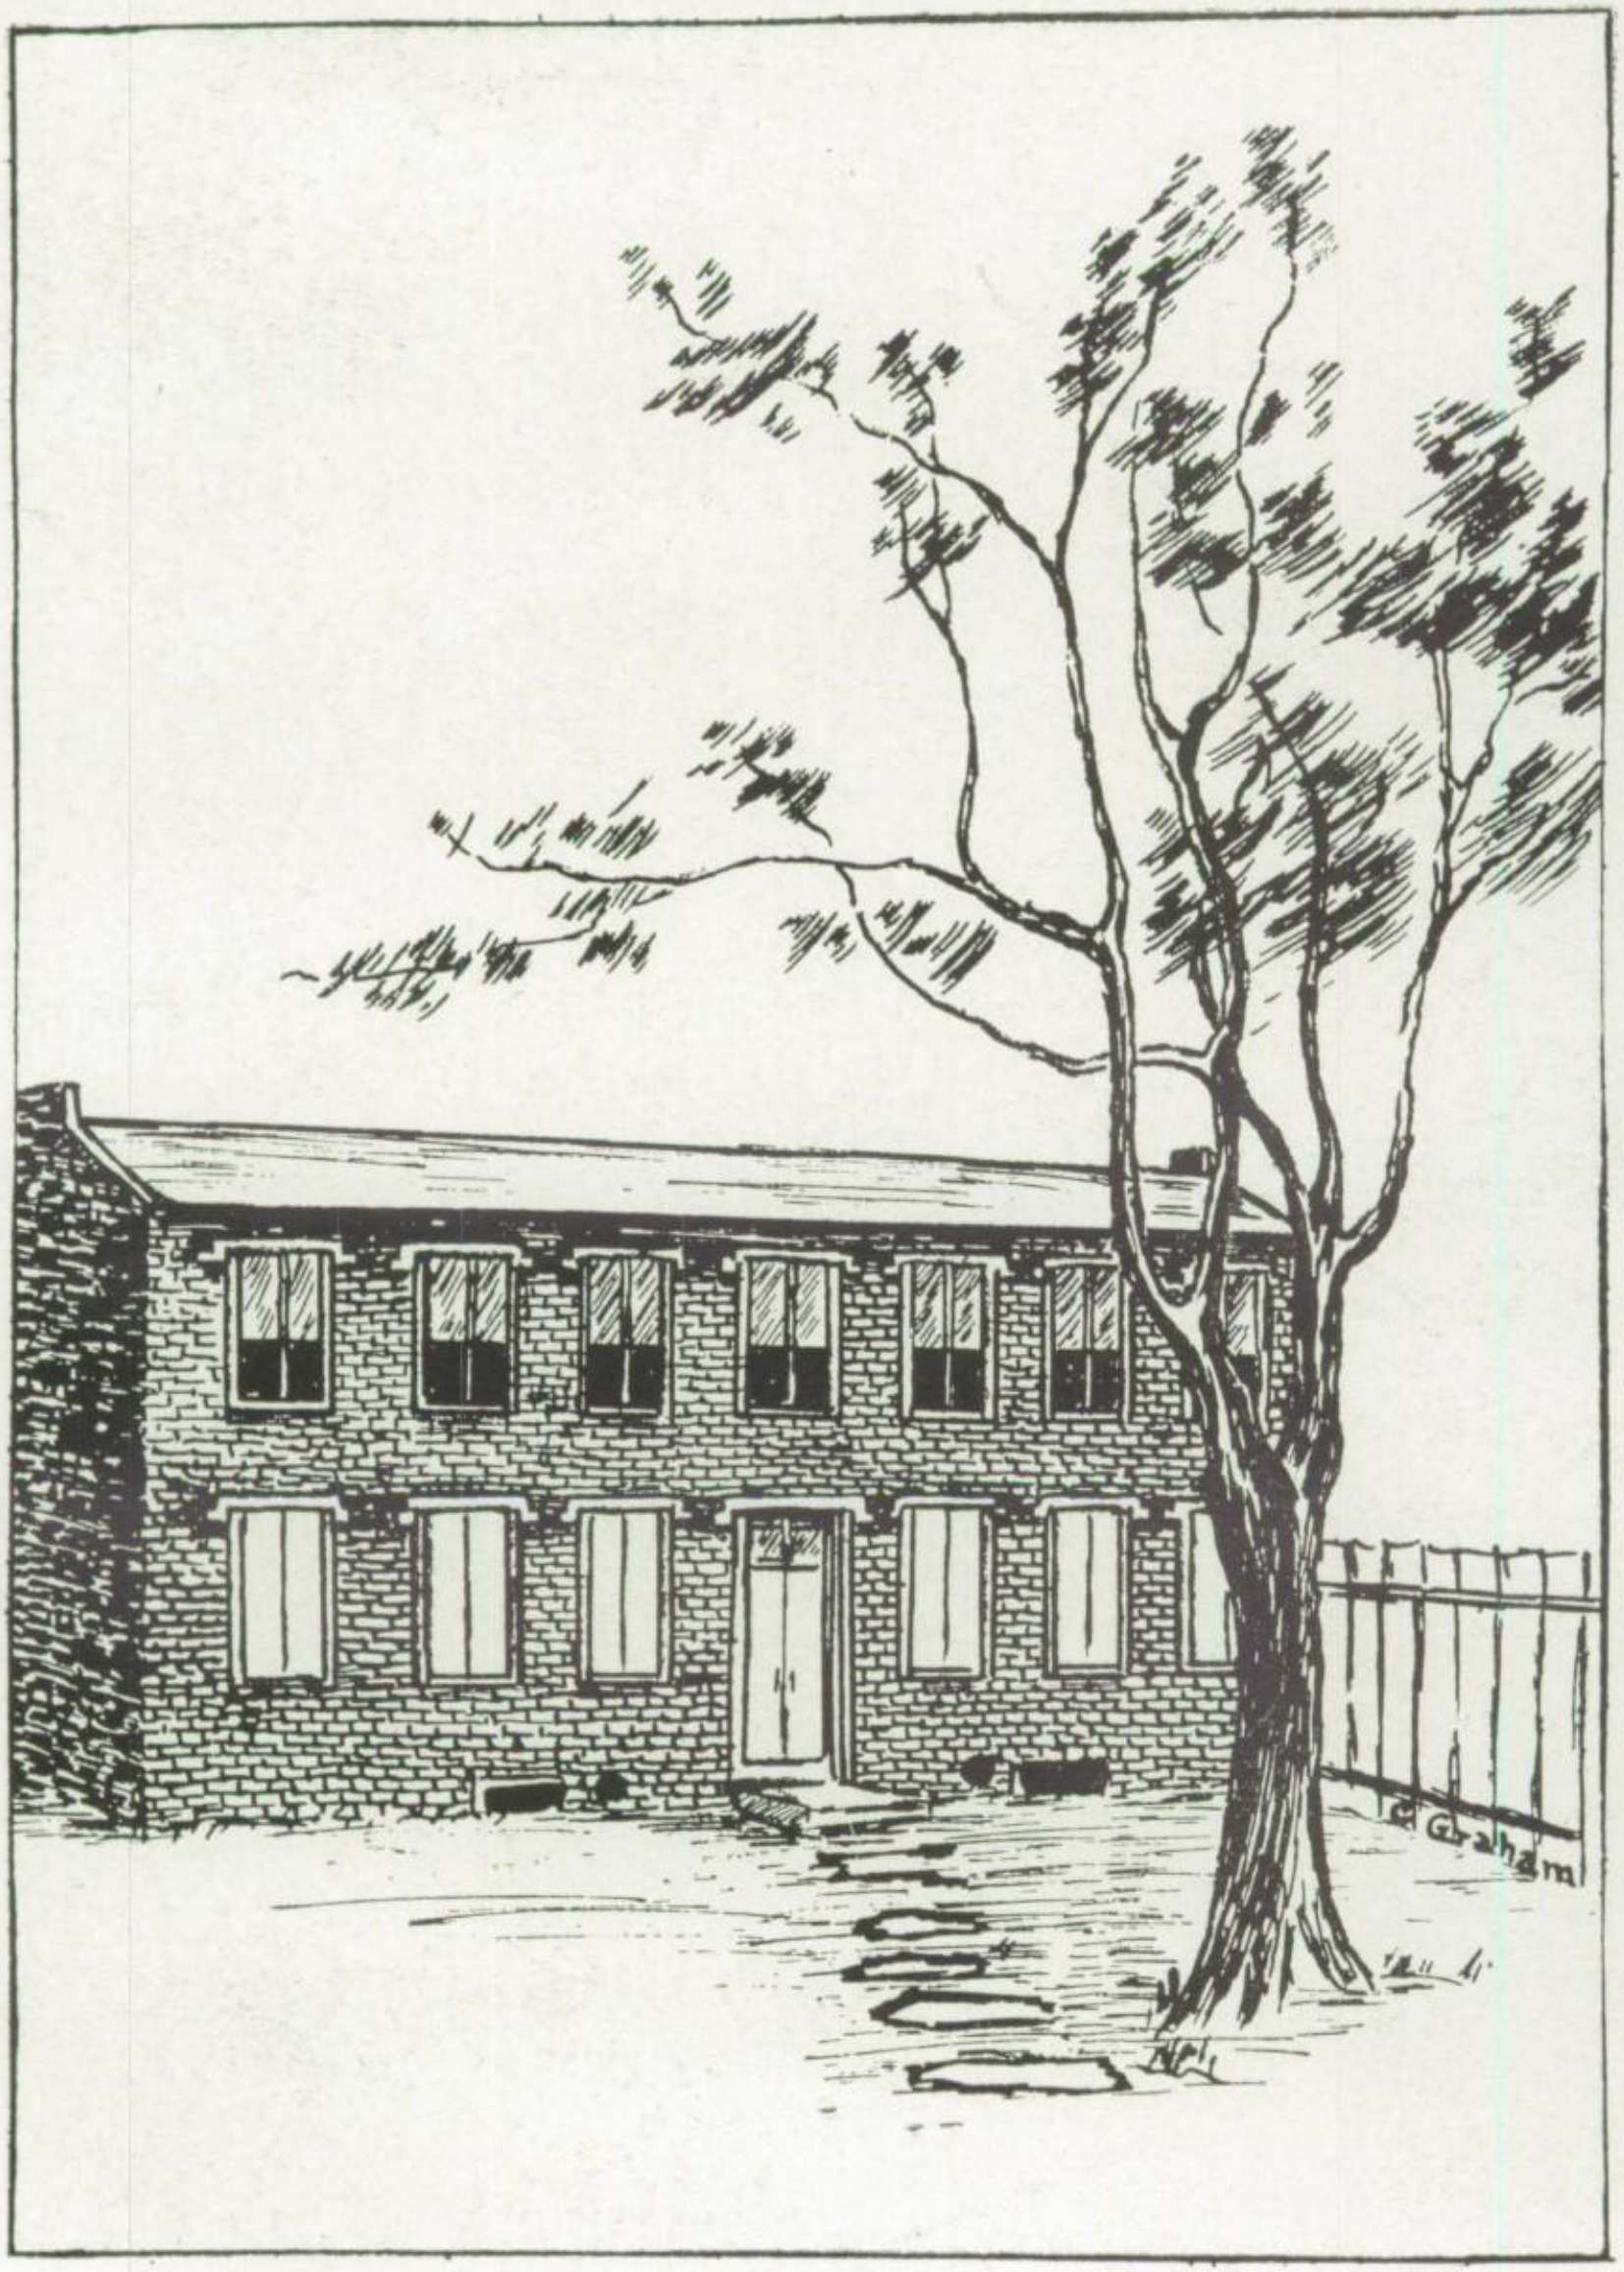
FOREWORD

ON July 4, 1836 a group of public spirited citizens met to plan for the opening of the first public schools of Carlisle. In turning the pages of this "Oracle" our classmates will glimpse the many changes that have come through a century of progress. May each cherish fond memories of the present and a deep reverence and respect for all the citizens who down the century through their wisdom, foresight, and devotion have made possible the schools of 1936.

ADMINISTRATION

The success of any organization depends upon those whose duty it is to carry out the plans. To the first board of directors was given the task of choosing the first school buildings, school books, and teachers, who should instruct the first children enrolled in the first public schools of Carlisle. The duties now assigned to the superintendent were assumed by these early directors. These gentlemen also examined the teachers and gave them helpful advice . . .

Much praise is due these first teachers who with few text books, in rooms of dwelling houses not planned for school purposes, taught and guided the future citizens of Carlisle, our ancestors . . .

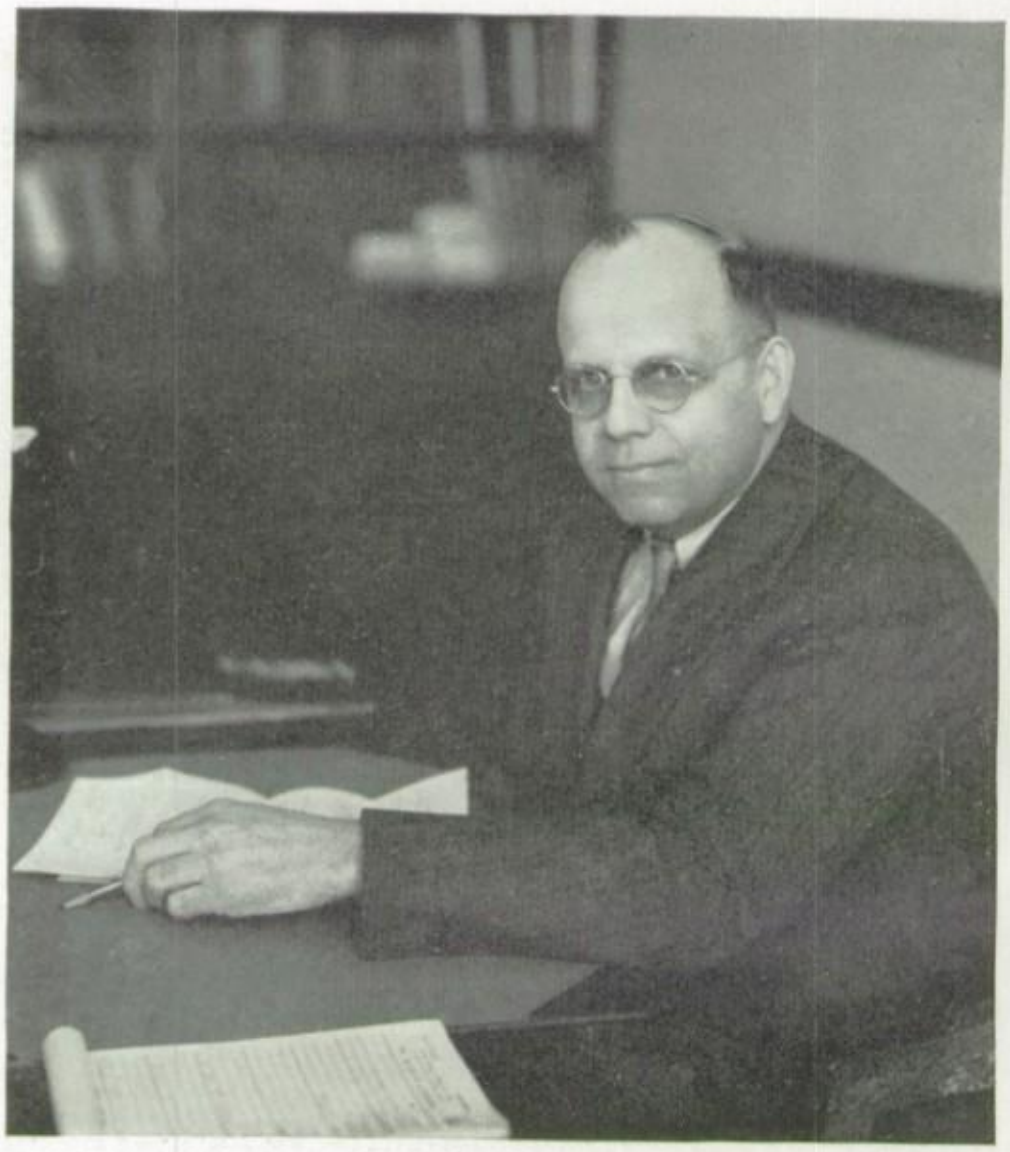


G Graham

ADMINISTRATION

TODAY the administration of our public schools is in the hands of a board of directors, and experienced superintendent, and a corps of carefully trained teachers. No longer do the directors make weekly visits to the class rooms nor do they examine teachers. Today they elect teachers, plan the equipment, and provide comfortable buildings for teachers and pupils.

Today a larger number of teachers with many modern and beautifully illustrated text-books, in well lighted, well ventilated and comfortably furnished class rooms, continue to train the future citizens of Carlisle.



The most significant achievement in anyone's life is character building, which rests upon the corner-stone of honesty, honesty with oneself, honesty in his dealings with his fellow-man.

The great Beecher once said, "No man can tell whether he is rich or poor by turning to his ledger. It is the heart that makes a man rich. He is rich or poor according to what he is, not according to what he has."

PROF. J. W. POTTER

Much of what you have learned here will be forgotten; but among the few things that you retain let this thought as expressed by J. William Lloyd influence your actions :

"There is but one virtue : to help human beings to a free and beautiful life; but one sin : to do them indifferent or cruel hurt; the love of humanity is the whole of morality. This is Goodness, this is Humanism, this is the Social Conscience."

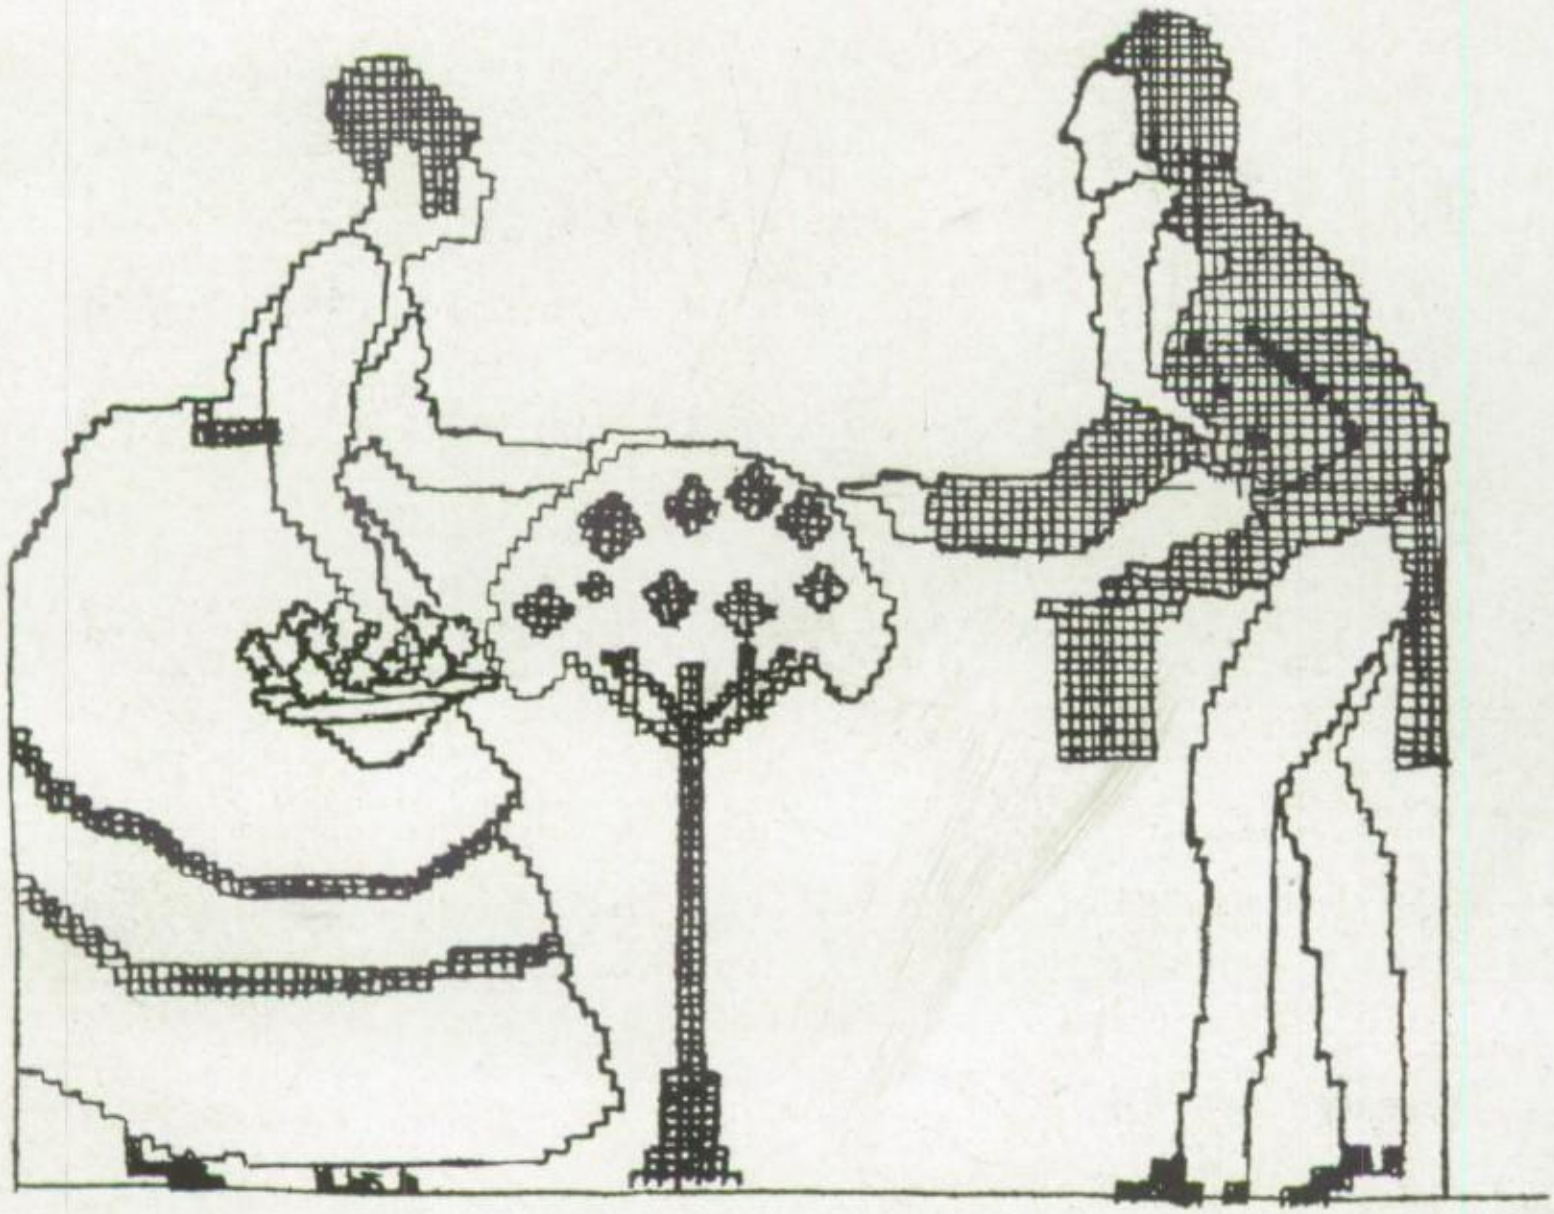
SENIORS

What was the life of a senior in the days of the dim past? The senior boys and girls did not attend a co-educational high school. Each group pursued his studies in a separate building. The two groups were united only during the commencement season. These seniors mastered the three R's. During long months they sat on straight wooden benches and learned the important lessons of life. They liked fun. They played tricks on the teachers and on each other. On the playground they were carefree and happy. They looked foreward to the day when each should receive a certificate signifying that the end of the educational road had been reached . . .



Gather ye rose-buds while ye may
Old Time is still a-flying
And this same flower that smiles today
To-morrow will be dying

SENIORS

THE life of a senior today is very different from that of his cousins of long ago. Boys and girls share the same classrooms and in a friendly way discuss problems of many kinds. The course is no longer limited to the three R's. Science and social studies are a part of the enlarged curriculum. These boys and girls are fun loving and are always looking for an opportunity to play a trick on the teacher or cause a bit of merriment with a pun or a joke. Their goal, too, is a diploma, the symbol of work faithfully done and a course successfully completed.

SENIORS

JAMES W. KENT *"JIMMY"*

Classical Course : A. A. 1, 2, 3, 4; Glee Club 1; Band 1; Le Cercle Francais 3; Camera Club 3; Stagecraft Club 4; Assistant Stage Manager 3, 4; National Thespian Club 4; Debating Team 3, 4; Home Room Officer 1, 3, 4, President 1, 4, Vice-President 3; Class Officer 1, 4, Vice-President 1, President 4; "Oracle" Staff, Editor-in-Chief 4; Hall Patrol 4; Hi-Y Club 4.

Here is our "Chief," a term applied with double emphasis, for "Jimmy" heads the "Oracle" Staff and is also Class President. "Jimmy" is Stage Manager for plays and belongs to the Thespian Club. His fine rebuttals on the debate team won many a debate for the class and for C. H. S. "Jimmy" hopes to become an engineer and with his keen intellect he will surely succeed.

RICHARD SUTTON *"DICK"*

Manual Arts Course : A. A. 1; Student Council 1; Class Vice President 4; Study Hall Patrol 4; Stagecraft Club 3, 4.

"Dick's" vain efforts to grow a visible mustache have kept the entire High School interested. The mustache has arrived at the point where, by peering closely, it can be seen. "Dick" likes shop work, jokes, and teasing the girls. He has made many friends and his generous smile will continue to make many more.

DORIS SHETRON *"DOT"*

Commercial Course : "Oracle" Staff 4; Glee Club 1, 2, 3, 4; Student Council 3; Girl Reserves 1, 2, 3, 4; Class Officer, Secretary 4, Vice President 2; Home Room Officer, President 1, 2, 4; Hall Patrol 4; National Thespian 3, 4; "Daddy Long-Legs" 3; Dancing Club 4; Spanish Club 3.

This little Commercial is one of the busiest girls in our class. Doris is always rushing somewhere, either playing the piano for someone or typing for someone else. She is president of the Thespian Club and is quite interested in dramatics. "Dot" always takes a prominent part in all class activities. She is a good sport, full of fun, and a pal at all times.

GEORGE FALLER *"TONY"*

General Course : A. A. 2, 3; "Periscope" Staff 1, 2, 3, 4, Business Manager 4; Dramatic Club 4; Class Treasurer 4; Study Patrol 2, 3; Clothing Club 3; Hall Patrol 2, 3, 4; Hi-Y Club 3, 4; National Thespian Club 4; "Daddy Long-Legs" 3; "Growing Pains" 4.

The gods smiled upon C. H. S. when they gave us "Tony," for he is one of the most valuable members of the class. He proved himself well able to handle the finances of the Senior Class, the Periscope Staff and the Dramatic Club. George is also socially inclined. "Tony" plans to follow in his father's footsteps and study law.

JEAN ADAMS *"JEANNE"*

Commercial Course : A. A. 3, 4; Glee Club 1, 2, 3, 4; Student Council 2, 3; Girl Reserves 1, 2, 3; Tumbling Team 1, 2; Home Room Secretary 2; Study Hall Patrol 4; Hall Partol 4; "Pandora" 1; Handicraft Club; Spanish Club 3; Dancing Club 2; Gym Exhibition 1, 2, 3.

Here is one of the wittiest girls in the class. Jean is a peppy Commercial who likes to talk and chew gum. She also likes athletics and athletes. Jean is a pal of everyone and has many friends. She is easy to get along with and for that reason Jean will be a success in whatever she undertakes.

RUTH AHLERS *"RUTHIE"*

Commercial Course : Glee Club 2, 3, 4; Student Council 2; Girl Reserves 1, 2; Musical Drama 3; Spanish Club 3; Commercial 4; Gym Exhibition 1.

Who has her arithmetic finished? Why Ruth, of course! Ruth is very brilliant and never fails to be prepared for classes. Her hobbies are reading and settling one of her daily dozen disputes with a certain commercial boy. Ruth is always able to win her side of the argument. Ruth doesn't have any definite plans for the future. Although she would make someone an excellent stenographer, we have a suspicion that she will not be one.

GEORGE ALEXIS *"WEINER"*

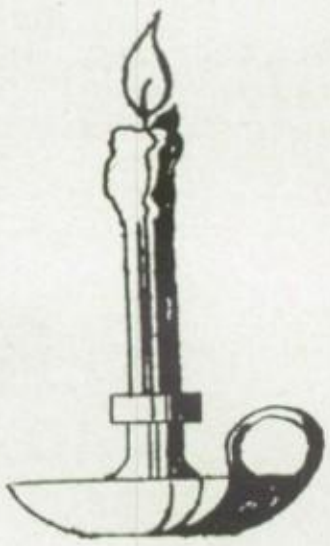
General Course : A. A. 1, 2, 3, 4; "Oracle" Staff 4; "Periscope" Staff 3; Student Council 3, 4, President 4; Varsity Club 4; Varsity Football 4; Jr. Varsity Football 2; Varsity Basketball 4; Class Secretary 2; Home Room Officer 2, President; Study Hall Patrol 3, 4; Hall Patrol 3, 4; Hi-Y Club 3, 4; Camera Club; Sports Club.

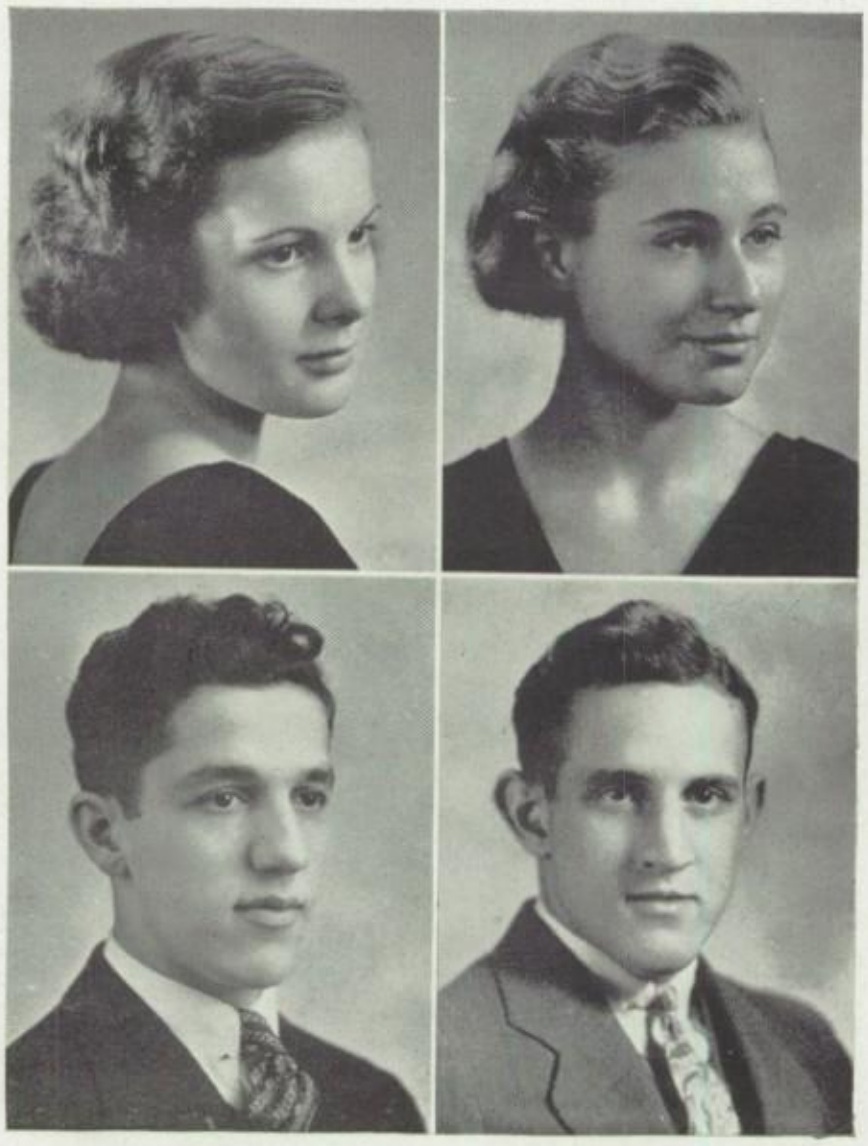
Behold the wonder man of the class of 36! He pulled the "Oracle" through those days of dispair. He helped hold Mechanicsburg on that rainy Thanksgiving Day. He gave the Solid and Trig class those much needed moments of respite and recreation. He provided hamburgs, hot-chocolate, etc. for half the high school. He played forward on the high school basketball team and also led the Student Council for one semester.

RICHARD BAKER *"DICK"*

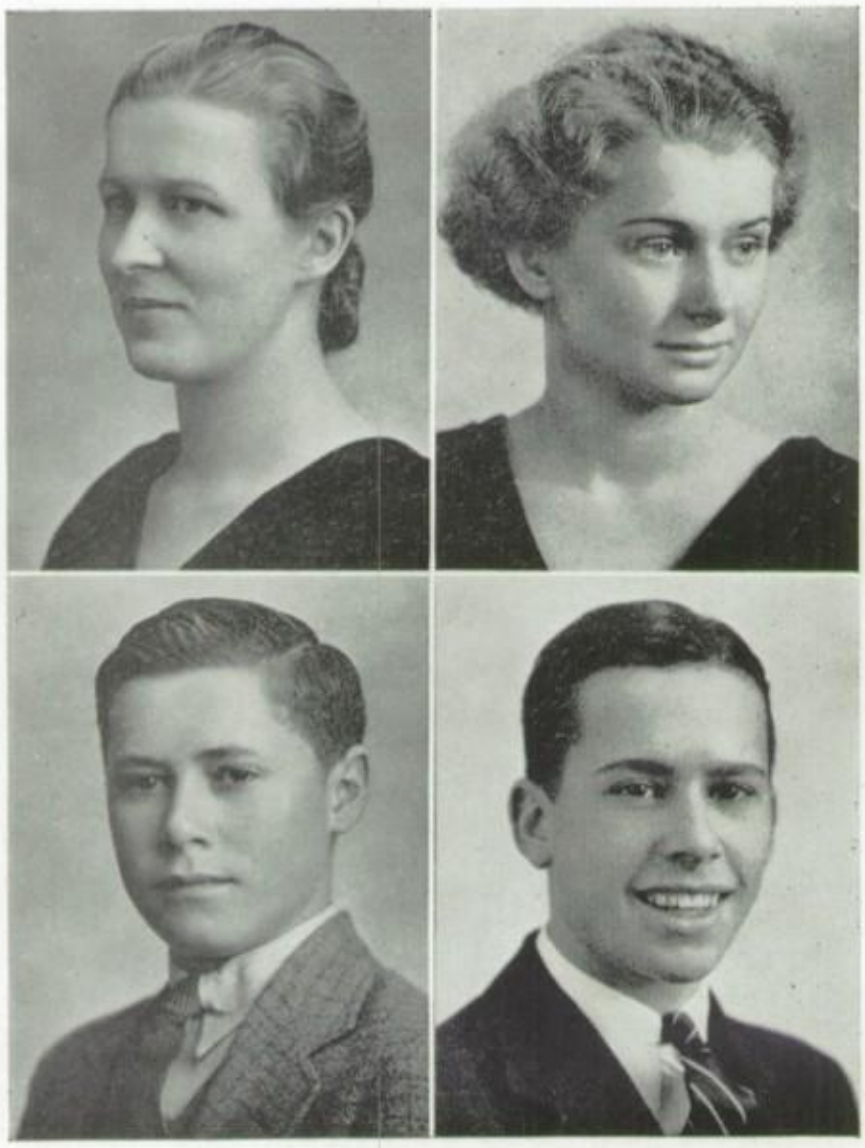
Manual Arts Course : A. A. 1, 2, 3, 4; J. V. Basketball Team 1, 2, 3; Study Hall Patrol 4; Hall Patrol 3; Boys Handicraft Club 3, Secretary; Stagecraft Club 4; "After Wimpole Street" 4.

"E" stands for earnestness of purpose, eagerness for success, ease of manner, efficiency in all studies, energy in work and play, enthusiasm for C. H. S., and enjoyment of life. A pleasing personality and a ready smile makes "Dick" a much valued member of the class of '36.





SENIORS



ANNE BARBOUR *"ANN"*

Commercial Course : Glee Club 1, 2, 3; Study Hall Patrol 3; Musical Drama 1; Nature Study 3; Commercial Club 4; Handicraft Club.

Anne Barbour ! What a picture those two brief words bring to our minds ! A pleasing blonde-haired girl with large blue eyes and a smile that does not belie those eyes. Upon leaving C. H. S. "Ann" leaves behind a host of friends.

JEANNE BARSHINGER *"JEANNE"*

General Course : Girl Reserves 4; Handicraft Club 4.

Although Jeanne hasn't been with us very long, everyone has grown to like her very much. She is a good student, a good friend, and an active participant in school activities. Jeanne came to us from Trenton, Michigan, and plans to complete her education in her home state.

HARVEY BENDER *"BENNEY"*

Commercial Course : A. A. 1, 2; Glee Club 4; Student Council 2; Home Room Officer 1, Secretary; Airplane Club 3, 4, Secretary, Vice-President 3; Clothing Club 4.

The future aviator of the class of " '36 " ! That is "Benney," for he certainly does like aviation. Harvey makes model airplanes and has won several prizes for his work along this line. Despite his height, "Benney" is quite a man and enters into many activities of the school, both social and recreational. He has a cheery smile for everyone, which will bring him sunshine among the clouds.

CHARLES BILLOW *"CHUNKY"*

General Course : A. A. 1, 2, 3, 4; "Oracle" Staff 4; "Periscope" Staff 3, 4; Student Council 1; Band 1, 2; Study Hall Patrol 3, 4; Hall Patrol 4; Debating Team 3, 4; Stagecraft Club 3, 4.

"Charlie" is one of those boys who is always arguing about nothing. However, there are many fine qualities about "Charlie." He is one of Mr. Rupp's ablest assistants in stagecraft work, and he also takes a great interest in debating. Charles has been stepping out socially lately and can usually be seen at High School dances. Next year he plans to further his education at Dickinson College.

MARGUERITE BISHOP *"PEG"*

Commercial Course : A. A. 1, 2, 3, 4; Girl Reserves 1, 2, 3, 4; Home Room Officer, Secretary, Treasurer; Commercial Club, Secretary; Spanish Club.

"Peg" is a jolly miss who drives a Chevrolet. And how she drives it! Just missing chickens and stopping on railroad tracks are her favorite past times. She is an accomplished dancer. Every Wednesday and Saturday night "Peg" is sure to be seen at the dance hall (but dancing is not the only attraction). Peg is a good commercial student and seeing her pecking away on a typewriter is a familiar sight.

VIVIAN BITTENGER *"VIV"*

Commercial Course : A. A. 2; Glee Club 3; Student Council 1; Band 3; Tumbling Team 4; Hall Patrol 1; Spanish Club; Handicraft Club 4.

Hail to the blushing beauty of the senior class! Just two words—"hello beautiful" and "Viv's" fair countenance turns as red as a rose. And do the boys delight in making her blush? Just ask them. Vivian is interested in athletics and she shines in basketball and volleyball. She is an expert typist and she and her typewriter are the best of friends. Next year Vivian hopes to be somebody's stenographer.

ROBERT BOILLINGER *"BUD"*

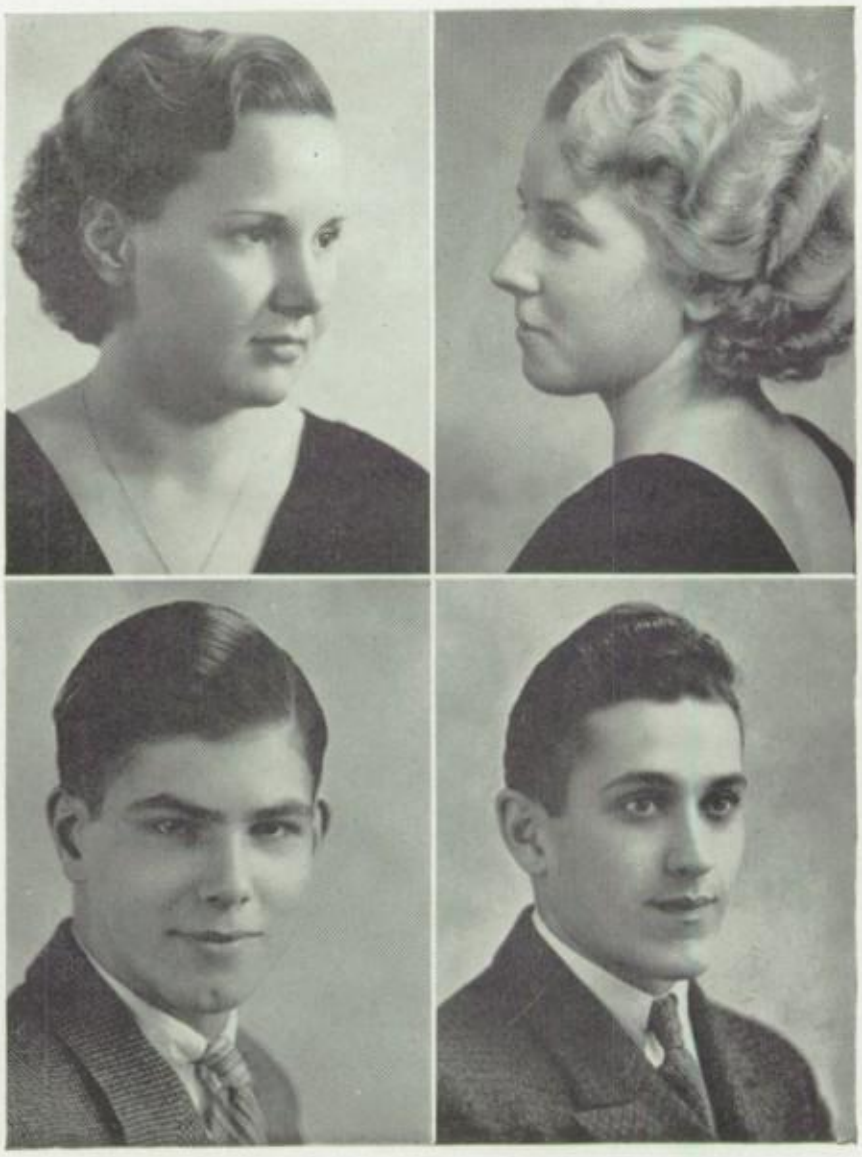
General Course : Airplane Club.

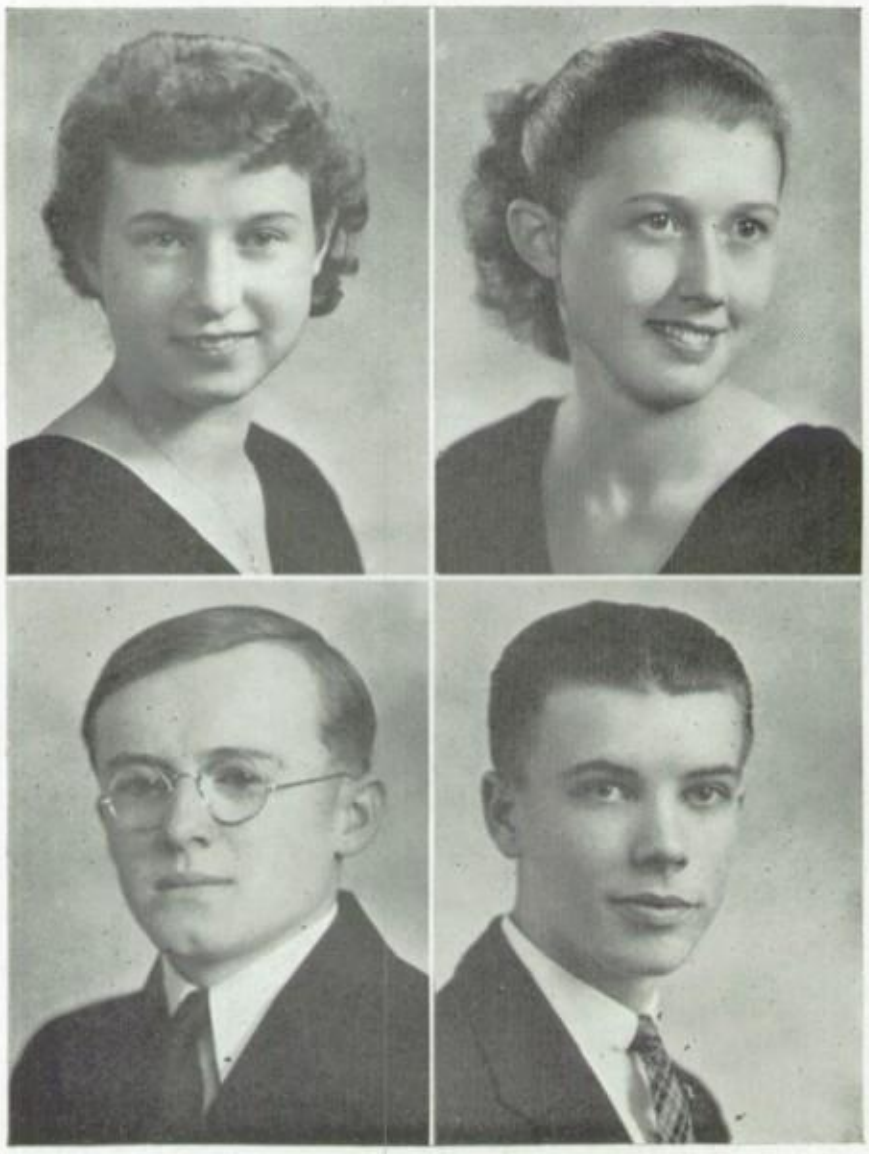
"Bud" is rather quiet to those who do not know him very well, but among his close friends he is very jolly. "Bud" is an aviation enthusiast and some day he may be a great airplane designer. He is a good student and is headed for success in life.

DANIEL BOWERSOX *"SOX"*

General Course : A. A. 1, 2, 3, 4, President 4; Student Council 1, 2, 3, 4; Varsity Club 1, 2, 3, 4; Varsity Football 1, 2, 3, 4; Varsity Basketball 2, 3, 4; Junior Varsity Basketball 1; Track Team 1, 2, 3, 4; Home Room Officer 3, 4, President 3, 4; Study Hall Patrol 2, 3, 4; Hall Patrol 2, 3, 4; Hi-Y Club 2, 3, 4; Sports Club; Athletic Executive Committee 3, 4; Vice-President 3, President 4.

Here we have the all-round boy of the class. He is the best looking boy of the class. He dances well, and plays basketball and football. Last year "Sox" had the misfortune of having his leg broken while engaged in the first football game of the season. This somewhat shortened his athletic career, but he has made up for any lost time with his excellent playing on the football field and basketball court this year. "Sox" is one of the most popular boys of the senior class and only success can follow him.





MARGARETTA BOYNE *"GRETTA"*

General Course : A. A. 1, 2, 3, 4; Glee Club 1, 2, 3, 4; Student Council 4; Girl Reserves 1, 2, 3, 4; Varsity Club 2, 3, 4; Tumbling Team 1, 3; Home Room Officer 1, 3; Hall Patrol 4; Girls' Basketball Team 1, 2, 3, 4; Volley Ball 1, 2, 3, 4; Dancing Club 2, 3, 4.

"Gretta" is one of the best-natured "pals" that can be found in C. H. S. She has been a faithful member of the Girl Reserve Club. "Gretta" plans to become a nurse and her happy disposition will bring cheer to many.

MARY JANE BRENNEMAN *"TILL"*

General Course : A. A. 1, 2, 3, 4; "Periscope" Staff 4; Girl Reserves 1, 2, 3, Vice-President 4; Home Room Officer 3, Treasurer; Hall Patrol 3, 4; Girls' Basketball 3, 4; French Club 3; Handicraft Club 3; Camera Club 4; Checker Club 4.

"Till" is tall, dark, with sparkling eyes and a gleeful little laugh. She is a very valuable member of the Class of '36. Much of the success of the Camera Club was due to her effort. However, the Camera Club is not her only interest.

GEORGE BRINDLE *"BRINDLE"*

General Course : A. A. 2, 3, 4; "Oracle" Staff 4; Home Room Officer 4, Treasurer; Radio Club 3; Science Club 4.

In George we have a loyal Senior and a fellow well-liked by all who know him. He's rather quiet but is a mighty good fellow and you have missed a good friend if you have not become acquainted with him. George is a good math student and plans to attend college next year.

ROBERT BROWN *"BOB"*

Manual Arts : Junior Band 1, 2; Senior Band 3, 4; Orchestra 4; Glee Club 1, 2, 3, 4; Choir 3, 4, President 3; Radio Club 3, 4; Student Council 2, 3; Hall Patrol 3; Study Hall Patrol 3, 4; Home Room Officer; "Sleeping Beauty" 3.

"He's the drummer-man in the band." This short sentence depicts the interests and the activities of "Bob." He divides his musical ability between the High School Band and a popular Carlisle dance band. "Bob" also sings in the High School Choir and Glee Club. He is a staunch supporter of the other activities of the high school and of his class, too. "Bob" has added much enjoyment and pleasure to our school life.

CONSTANCE BRUBAKER *"CONNIE"*

Commercial Course : Dramatic Club 4; Girl Reserve 1; Tumbling Team 1, 2, 3; Hall Patrol 4; Girls' Basketball 1, 2, 3, 4.

"Connie" is one of the most popular girls in the commercial section. She has many outside activities and enters into them whole-heartedly. She has taken an interest in her school studies and also helps the class greatly with her athletics. Her ability as an entertainer has made her quite famous and the class of "36" will watch her progress with much interest.

JOHN BRYMESSER *"JOHNNIE"*

General Course : Student Council 1; Science Club.

A few short chugs, a screech of brakes and Johnnie is at school; always a little early, but still he is there. John is one of the few fellows who succeeded when they elected four years of Latin. He always comes out on top in any undertaking and he will succeed in the Business World which he plans to enter.

BETTY BURGETT *"BETTY"*

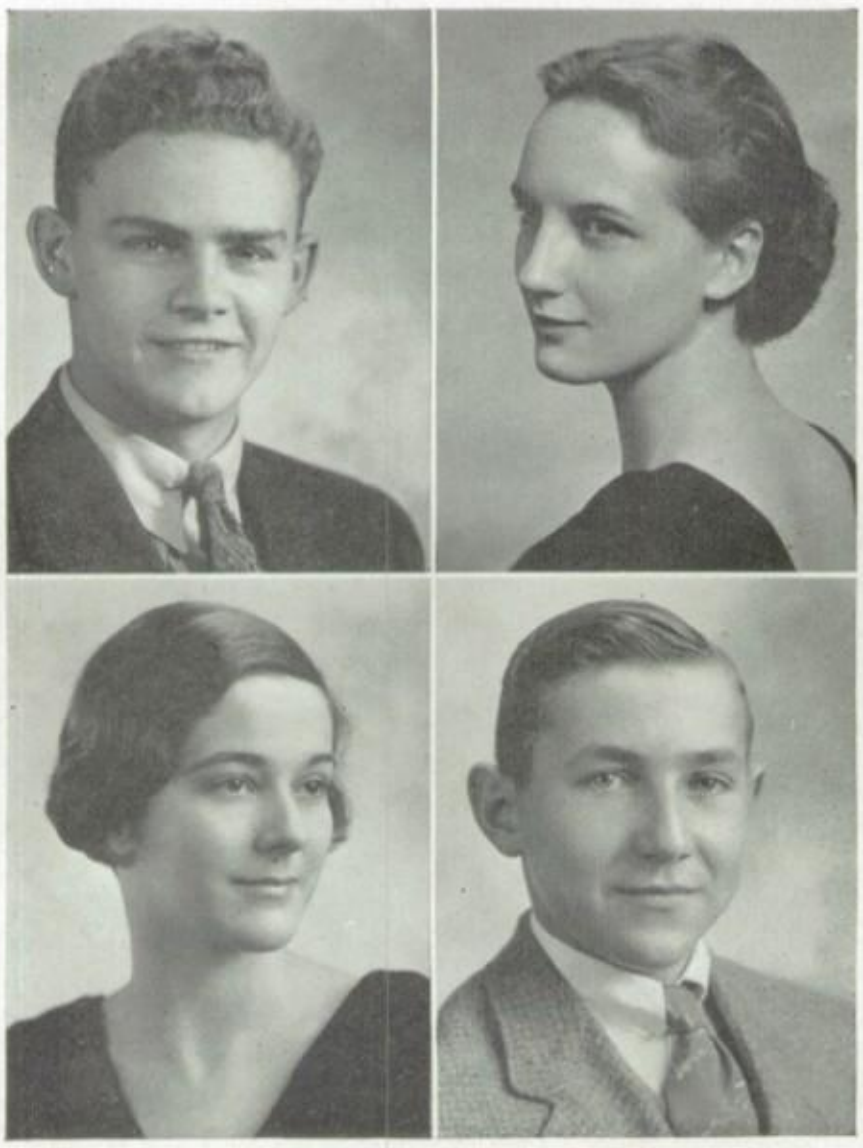
General Course : A. A. 1; Glee Club 3, 4; Choir 3, 4; Girl Reserves 1, 2, 3, 4; Band 1, 2, 3, 4; Varsity Club 1, 2, 3, 4; Home Room Officer 1, Treasurer; Study Hall Patrol 3; "Sleeping Beauty" 3; Girls Basketball 1, 2, 3, 4; First Aid Club 3; Secretarial Club 3; Camera Club 4; Mechanics 4; Library 1, 2.

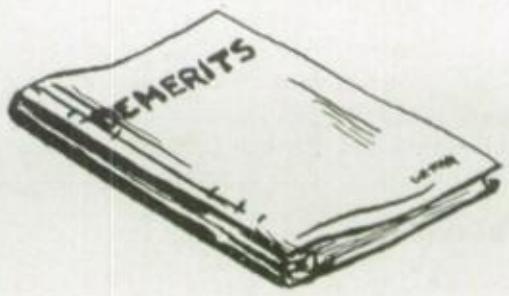
Betty is one of these quiet, serious persons whom one must know to appreciate. She is an enthusiastic supporter of athletics. Basketball and volley ball games would be lost without her. She is a dependable member of the High School Band. Her ambition is to become a nurse.

JOHN CARROLL *"JOHNNY"*

General Course : A. A. 1, 2, 3, 4; Glee Club 1; Student Council 1; Home Room Officer 1, Vice-President; Study Hall Patrol 3; Radio Club; Stagecraft Club; Football Manager; Oracle Staff 4, Sports Editor.

Behold our football manager! Johnny is interested in all athletics both in Carlisle High School and in Dickinson College. He is full of fun and has a cheerful disposition. John hopes to go to West Point where we know with his sunny disposition he will surely be able "to take it."





JOHN CHAMBERLAIN *"JOHN"*

Manual Arts Course : A. A. 1, 2, 3, 4; Glee Club 2, 3; Choir 3; Varsity Club 4; Football Team 2, 3, 4; J. V. Football 1; Track Team 2, 4; Tumbling Team 4; Study Hall Patrol 3, 4; Hall Patrol 3; Hi-Y Club 4; Leaders Club 4; Stagecraft Club 3; Stage Manager; Sports Club 4.

When there is a sporting event in the community, John is there, either as a participant or a spectator. He is not very big, but he has given a good account of himself as center on the football team. He is quite popular among the students, especially among the girls of the class. We hope John goes through life as successfully as he has gone through C. H. S.

CARRIE COMP *"CARRIE"*

Commercial Course : A. A. 2; Glee Club 1, 2, 3; Student Council 1, 2; Dramatic Club 3, 4; Girl Reserves 1, 2, 3, 4; Band 2, 3; Junior Orchestra 2; "Pandora" 1; "Daddy Long-Legs" 3; Musical Dance Drama 3; Girls' Basketball 4; Commercial Club 4; Gym Exhibition 1, 4.

Good goods may come in small packages, but this time good goods comes in a large package, for Carrie is 5 feet, 7 inches tall. This tall outstanding girl is extremely interested in dramatics. Carrie's winning personality and her ambitious desire to succeed will help her over many rough places in life.

DOROTHY CUSHMAN *"DOT"*

General Course : A. A. 4; "Oracle" Staff; Glee Club 3, 4; Dramatic Club 3, 4; National Thespian Club 3, 4; Patrols 3, 4; Science 3; "Daddy Long-Legs" 3; Assistant Director of "Growing Pains" 4.

It was much to Carlisle High's credit when Dot came to us from Baltimore two years ago. She has entered into all school activities and has proved to rank among the highest of the class in her studies. "Dot" is particularly interested in dramatics and has taken an active part in them. Dorothy plans to enter Dickinson in the fall and we wish her the best of success.

VERDUN DELP *"DELP"*

Commercial Course : A. A. 2, 3, 4; Student Council 4; Band 3; Varsity Club 3, 4; Cheer Leader 3, 4; Study Hall Patrol 3, 4; Hall Patrol 4; Stagecraft Club 3, 4.

Although Verdun isn't very big, it is surprising how enthusiastically he reads his shorthand, for Verdun is one of those rare commercial boys who really likes commercial work. But studying isn't Verdun's only interest. It is a familiar sight to see him dressed in green and white, lustily cheering C. H. S. on to victory in football. His love for his work will make him a successful business man.

ELLA DIEHL *"ELLA"*

General Course : A. A. 1, 2, 3, 4; Glee Club 2, 3, 4; Dramatic Club 3, 4; Girl Reserves 1, 2, 3, 4; Home Room Officer 2, Secretary; Study Hall Patrol 3, 4; Hall Patrol 3, 4; "The Sleeping Beauty"; Music Appreciation Club.

Ella is a pretty girl with a pleasing personality. She is very much interested in music and plays the piano well. Ella took an active part in Girl Reserve work and entered enthusiastically into all activities of this organization. She has a cheery word and a smile for everyone and has made many fiends in Carlisle High School.

ZUG DITMER *"ZUG"*

General Course : A. A. 3, 4; Science Club.

That old combination of red hair and a temper isn't true in Zug's case. Although he has red hair, Zug is quite bashful and quiet. He likes fun and a good time. Zug is a conscientious student and plans to go to Shippensburg State Teachers College.

ESTHER DURNIN *"DURNIN"*

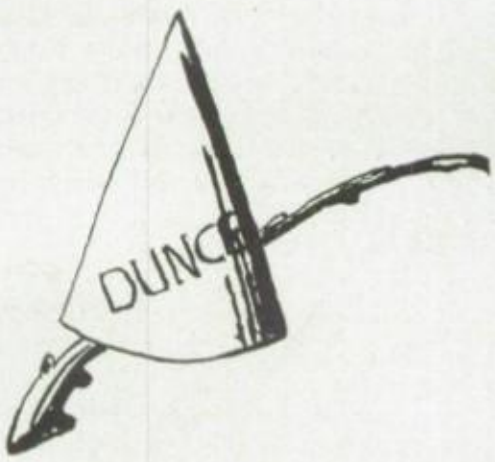
General Course : A. A. 1, 2, 3, 4; Glee Club 1, 2; Girl Reserves 1, 2, 3, 4; Home Room Officer, Treasurer 1; Radio Club 4; Latin Club 3; Science Club 3, Secretary.

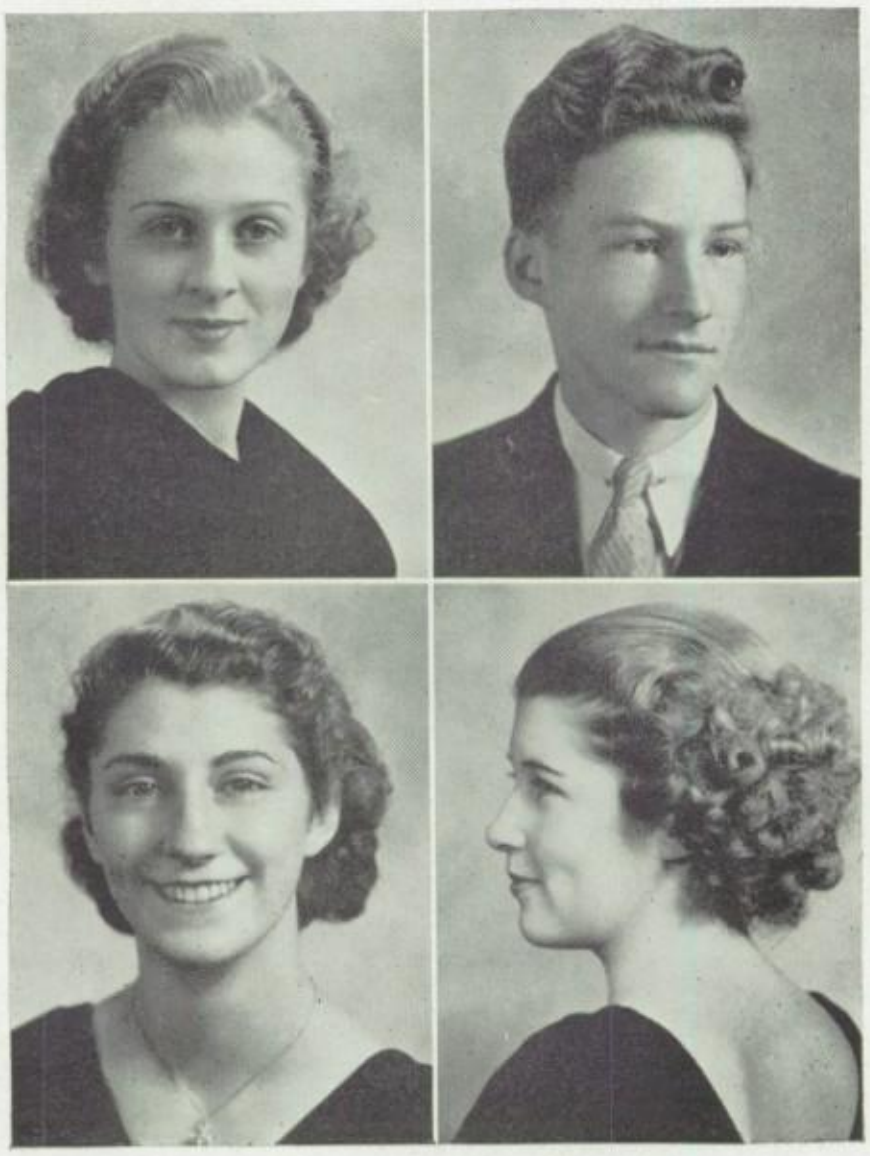
Esther fairly radiates cheer. She always has a kind word and a spontaneous smile for everyone. Esther without "Rosie" is like bread without butter. These two friends are inseparable. This gentle classmate likes candy, a good joke, chemistry, and naturally, the boys.

JOSEPHINE EINSTEIN *"JO"*

Classical Course : A. A. 1, 2, 3; Periscope Staff 4; Glee Club 1, 2, 3; Dramatic Club 3, 4; Girl Reserves 1, 2, 3, 4, Secretary 3, Treasurer 4; Home Room Officer 1, 2, 3; Patrols 2, 3, 4; Radio Club 4; "Growing Pains" 4; "After Wimpole Street" 4; "As the Clock Strikes" 3; "Daddy Long-Legs" 3.

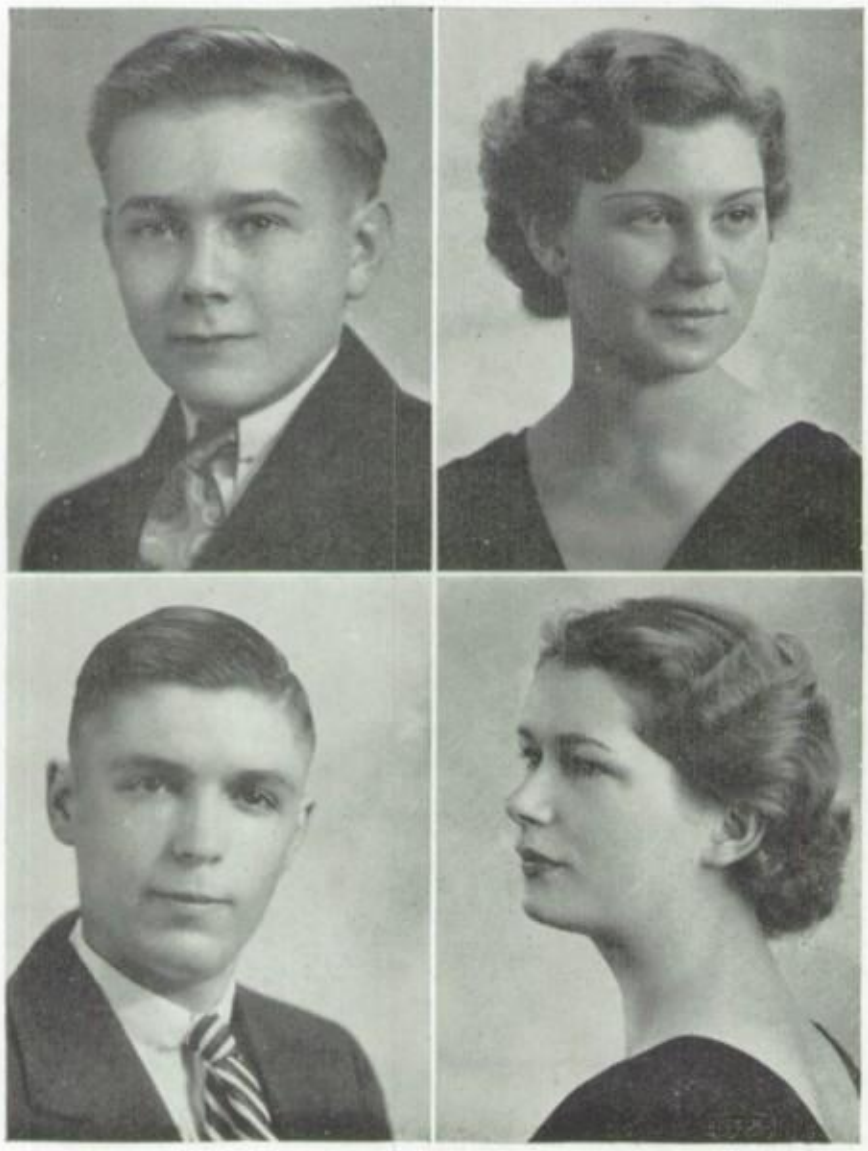
"Jo" is one of the best looking girls in the class. She is a fine actress and a loyal supporter of the Dramatic Club. Much of Jo's time is given to Girl Reserve work, since she is Treasurer of the Wayaka Club and has also been a club advisor. We know that "Jo," with her good looks and charming personality, will succeed in whatever field she may choose to enter.





SENIORS

SENIORS



DONALD EPPLEY *"DON"*

General Course : A. A. 1, 2, 3, 4; Glee Club 1, 2, 3; Choir 3; Student Council 2; Dramatic Club 3, 4, Treasurer 3; Band 1, 2, 3; Varsity Club 4; Basketball Manager 2, 3, 4; Home Room Officer 2; Treasurer 2; Study Hall Patrol 3, 4; Hi-Y Club 3, 4; A. A. Executive 4; "Pandora" 1; "Daddy Long-Legs" 3; "Growing Pains" 4.

Did you hear the original pun ? That was "Don" punning as usual. Donald's sunny disposition makes him a welcome student in every class room and also makes him popular with members of the gentler sex. Donald is manager of the basketball team.

LIEUETTA ERNST *"LETTY"*

General Course : A. A. 2, 3, 4; "Oracle" Staff, Secretary; Glee Club 1, 2, 3, 4; Girl Reserves 2, 3, 4; President 2, Vice-President 3, Advisor 3, 4; Class Treasurer 1; Home Room President 2; Latin Club 3; Local History Club 4; Radio Club 4.

This petite maiden has a place in the heart of everyone of us, for Lieuetta is well-known and well-liked throughout the school. She is a fine student and ranks high in her studies. However, this does not keep her from having a good time. "Letty" is an outstanding member of the Oracle Staff. She is also an able supporter of the Girl Reserves. Wherever she goes, Lieuetta has a cheery word for all.

ELLWOOD ESER *"ELLWOOD"*

Commercial Course : A. A. 2, 3, 4; Checker Club 3, 4; Clothing Club 4.

Ellwood is one of those people who would rather be seen than heard. Yet he isn't always that way. Ask him about some of his adventures while hunting rabbits or squirrels, or ask him about those girls from a neighboring town. On these subjects he is quite talkative. On the whole Ellwood is a capable young man who we feel, will go far toward accomplishing his purpose in the world.

GENEVIEVE FALLER *"GEN"*

General Course : Glee Club 3, 4; Girl Reserves 2, 3, 4; Home Room Officer, President; Girls' Basketball team 1, 2, 3, 4; President Social Secretarial Club 4; First Aid Club 4; Volley Ball Team 1, 2, 3; Jr. Basketball Team Captain.

If someone is laughing and telling a joke in a corner, you will know that it is "Gen." Genevieve is an attractive, neatly dressed girl with a sunny disposition. We can readily understand why "Gene's" hair always looks well. Her ambition is to become a hair dresser.

ESPER FINK *"ESPER"*

General Course : A. A. 2, 3, 4; Home Room Officer 2; Nature Club; Camera Club; Science Club.

In Esper we have a jolly good fellow who is always ready to laugh at a joke on himself or others. He is a lover of the out-of-doors and may be found in his leisure time with his gun or fishing rod. Esper expects to continue his studies at Dickinson College next year.

CECILE FINKENBINDER *"CEASE"*

Commercial Course : A. A. 4; Glee Club 4; Spanish Club 3; Commercial Club 4.

Here we have one of the most loyal supporters of our class. "Cease" shows a keen interest in all school functions and is an ever present member at all our activities. Although Cecile took the commercial course in high school, she plans to enter the Messiah Bible College after graduation.

MARY FLICKINGER *"MARY"*

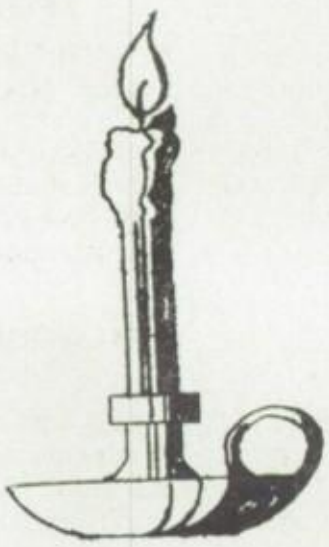
Commercial Course : A. A. 1; Glee Club 2, 3, 4; Girl Reserves 3, 4; Commercial Club.

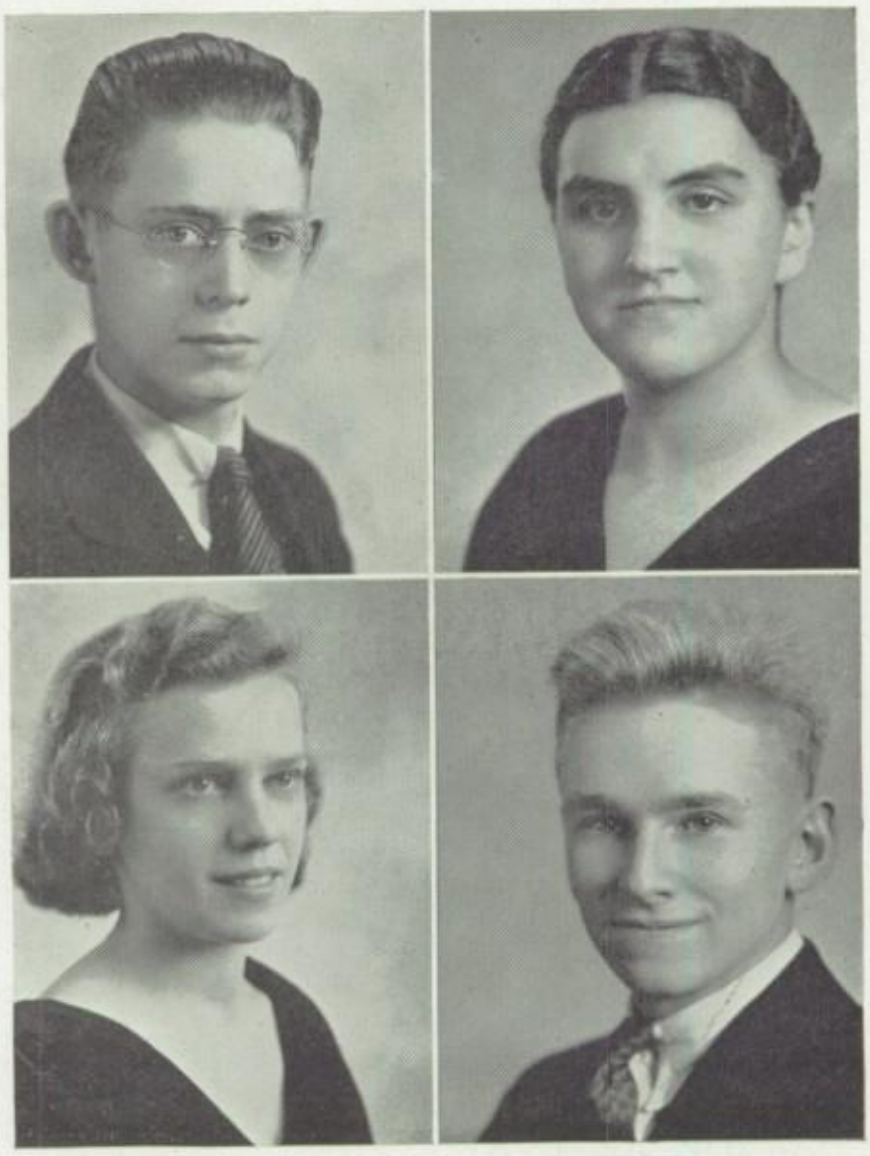
Mary is one of the petite girls of our class. She is five feet tall and has curly, light brown hair and gray eyes. Mary's favorite hobbies are reading poetry and typing and she is usually kept busy at the latter. Although Mary is small, she talks a lot and has an infectious laugh. Incidentally, Mary thinks that John Harris High and its pupils are pretty nice.

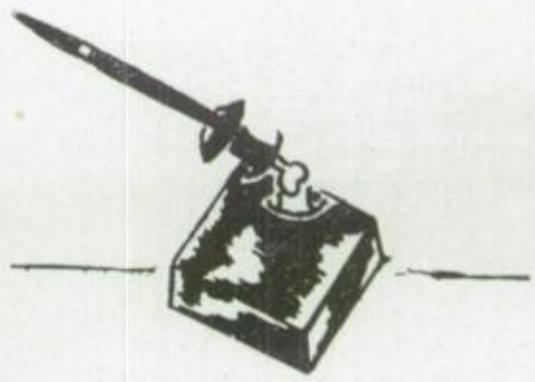
HENRY FLORA *"HENRY"*

General Course : A. A. 1, 2, 3, 4; Oracle Staff; Varsity Football 4; Jr. Varsity Football 2, 3, Captain 3; Hall Patrol Chief 4; Hi-Y Club 4; Radio Club 3, 4, President 4.

This gentleman needs no introduction to the Carlisle students as an all-round fine boy. On the football field Henry served as Captain of the Junior Varsity in '34 and made the varsity in '35. Aside from football Henry is a willing student. This will help him in his life work which, we are sure, will be a success.







MAXINE FREY *"CHUBBY"*

General Course : A. A. 1, 2, 3, 4; Oracle Staff 4; Glee Club 1, 2, 3, 4; Student Council 2, 3, 4; Volleyball 1, 2, 3, 4; Handicraft Club 3; Camera Club 4; Science Club 3; Checker Club 4.

Short and sweet, clever and petite, that's "Chubby." Always ready to find something new and interesting to do, always neatly dressed. Since Maxine lives in Middlesex, it is necessary for her to drive to school, but "Ole Man Winter" sure has been keeping her sunny smile away from the class room this winter with his innumerable snow storms. A sportsman personified is Paul. He must have been born with a football in his hand for he handles one so well. A Varsity basketball player, a four year Varsity football player, captain of the team this year, and a track star prove that "Pauly" is one of Carlisle's great athletes. We often wonder if his excellence in sports is for a certain girl on the grandstand. Greater success awaits Paul.

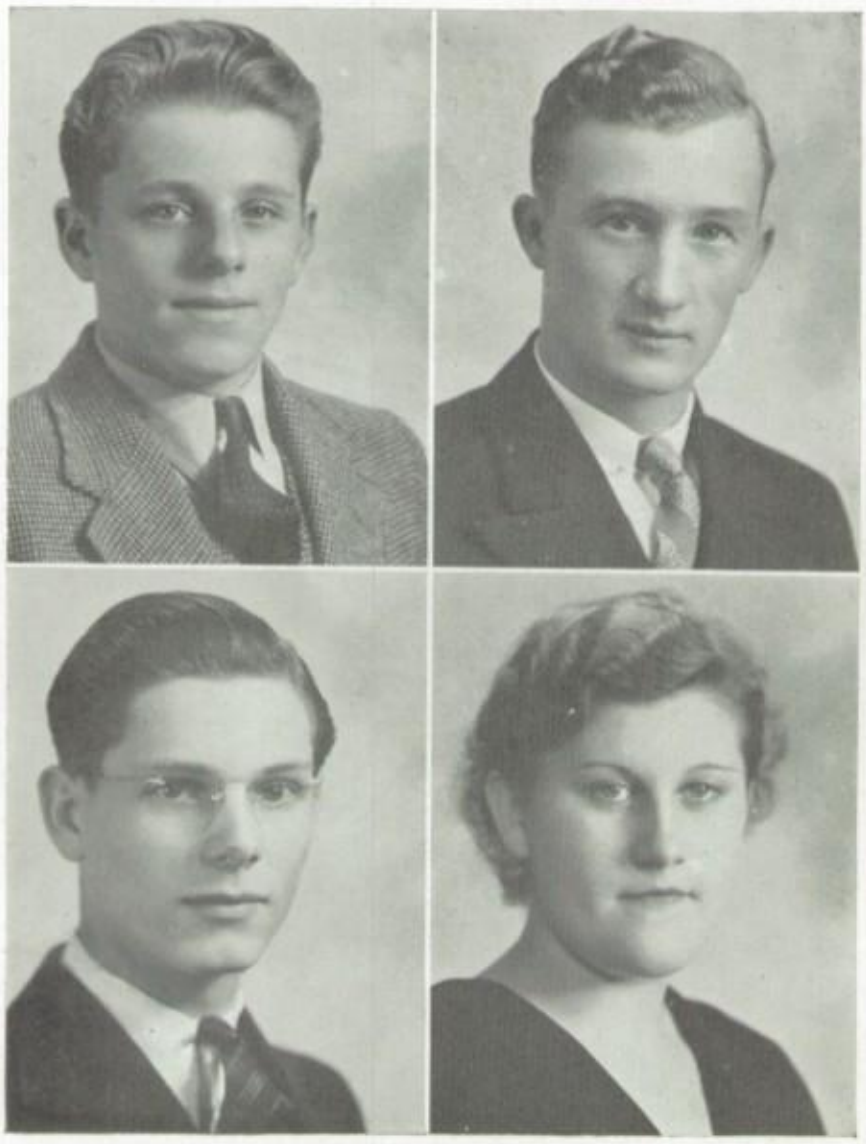
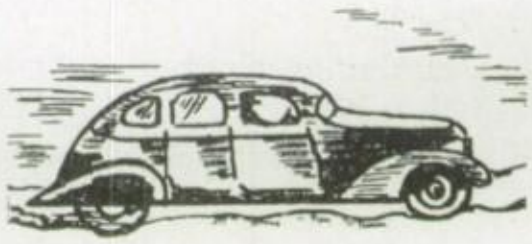
This lassie with the brown wavy hair and bright blue eyes will some day become a business executive.





KENNETH NEFF — ***"KEN"***

General Course : A. A. 3, 4; Glee Club 2, 3, 4; Choir 3, 4; Student Council 4, President; Band 2; Varsity Football 4; Junior Varsity Basketball 3; Track Team 2, 3, 4; Tumbling Team 2, 3, 4; Study Hall Patrol 4; Hall Patrol 4; Sports Club; Science Club; Chef's Club 3.

This is a small space in which to tell all about "Ken," but this much can be said : Kenneth is a modest, out-standing, straight forward young man of diversified interests. He is a good student and has served us remarkably well in football. "Ken" plans to attend the University of Maryland.

"Gill" is quiet and bashful, so perhaps these characteristics account for her dislike for public-speaking. She is especially fond of French, reading, eating, and sewing, which she does very neatly. "Gill" will probably become a seamstress. If Geraldine is as competent in everything as she is in sewing, success will be hers.

ELIZABETH PEFFER *"IBBY"*

But oratory is not the only thing which claims the voice of Fritz. He is an actor of the first degree and belongs to both the Dramatic and Thespian Clubs. We can also give the credit of our fine "Periscope" this year to Francis, for he is the Editor-in-Chief. After he leaves high school he plans to study for the ministry.

EILEEN RICE *"EILEEN"*

General Course : Geology 4; Checker Club 4.

Eileen is the quiet and sedate girl of our class, but you will find her a loving and true friend. She is always eager to help in anyway that she possibly can, and although she is quiet, you may always be sure of a good time if Eileen is in the crowd. ELAINE SANDERS *"NANE"*

Commercial Course : Glee Club 1, 2, 3, 4; Girl Reserves 1, 2; Handicraft Club, Commercial Club.

If its "Flowers for Madame" then Elaine must have brown-eyed susans, for her big brown eyes are something to be proud of. In spite of this fatal attraction "Nane" says the opposite sex are all such a bore. But we are beginning to doubt this, because lately her attention is being centered a great deal on a certain young man named "Doyle." Elaine's favorite pastimes are dancing and chewing gum which she enjoys immensely.

"Dot is one of the most likeable girls in school. She has a dignified manner and, an infectious giggle. "Dot" is interested in dramatics and sports, being an excellent equestrienne. She gave fine performances in several plays. "Dot" plans to enter Dickinson College in the fall.

FRANCIS SCELLATO *"FRANNIE"*

General Course : A. A. 3, 4; Oracle Staff 4, Assistant Editor; Class Vice President 3; Study Hall Patrol 4; Hall Patrol 4; Radio Club 3; Stage Craft Club 4; "After Wimpole Street" 4.

If you heard a crowd of students laughing and quite out of control of the teacher in charge, you can be sure "Frannie" is cracking a few wise remarks or a few puns. "A pun for everything and everybody" is his motto. Someday you will probably go into the theatre and notice how beautifully the stage and lighting are worked out. It will probably be some of "Frannie's" work. He had a great deal to do with the successful staging of "After Wimpole Street."

BOYD SHEAFFER *"BOYD"*

Manual Arts Course : Checker Club 3; Radio Club 4.

Boyd is another one of those lads who come from out of town. Although quiet and reserved he does a great deal of thinking, especially along the line of mathematics. In his school work, Boyd has been a good worker and his conscientious efforts will bring him a handsome reward.

MILDRED SHEAFFER *"MIDDIE"*

General Course : Glee Club 1, 2, 3; Dramatic Club 4; Girl Reserves 2, 3, 4; Orchestra 2, 3, 4; "Pandora," "Sleeping Beauty," "Daddy Long-Legs;" Library Club 3; French Club 3, 4.

Petite, modest, with light hair and laughing brown eyes—this is Mildred. This young lady enjoys French, sewing, and country life. If much attention is focused upon "Middie," her face becomes suffused with a genuine blush. Since she faces all problems squarely, "Middie" is sure to lead an enjoyable life.

PAUL SHEAFFER *"PAUL"*

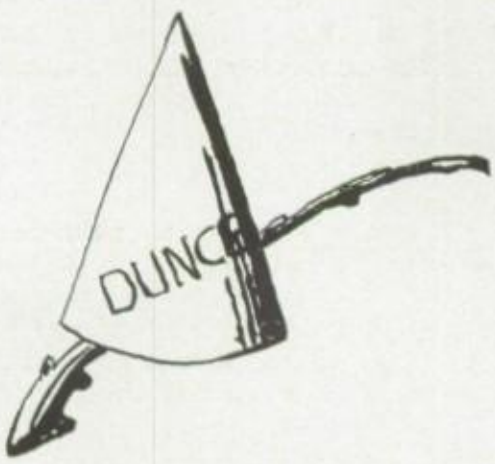
Commercial Course : A. A. 1, 2, 3, 4; Periscope Staff 4; Glee Club 3, 4; Choir 4; Student Council 1; Band 1, 2, 3, 4; Orchestra 1, 2, 3, 4; Study Hall Patrol 4; Stagecraft Club 3; Commercial Club 4.

Here is one of the best musicians of our class. Paul is extremely interested in music and plays the clarinet very well. Several times our orchestra has played under his capable direction. This serious lad is also interested in the automobile business which he plans to enter upon graduation from C. H. S.

DAVID SHUGART *"DAVE"*

Classical Course : Oracle Staff 4; Study Hall Patrol 4; Hall Patrol 4; Camera Club 3, 4.

All the male dignity of our Senior Class seems to be centered in Dave. Photography is David's main interest. He is not attracted to the opposite sex. "Dave" sings very well and we know he will lead his congregation just as well when he becomes a minister.



SENIORS

JULIA SMITH *"JUDY"*

Commercial Course : A. A. 2, 3, 4; Glee Club 1, 2; Student Council 1, 4; Dramatic Club 3; Girl Reserves 1, 2; Tumbling Team 1, 2; Home Room President 1; Study Hall Patrol 3; Girls' Basketball 1, 2; Dramatic Club 3; Commercial Club 4.

"I'm not lazy, I'm just dreaming." Judy's budget calls for eight hours work and sixteen hours dreaming a day. She is a popular member of her class and very sociable. "Judy" is a very good talker and usually comes out on top in an argument. Someday she may be a private secretary if she puts her Commercial talent to good use. "Judy's" main hobby is tap dancing and how she can make those feet talk!

JOHN SNYDER *"JOHNNY"*

General Course : A. A. 1, 2, 3, 4; Varsity Football 2, 3, 4; Home Room Officer 3; Treasurer; Study Hall Patrol 3; Hall Patrol 3, 4; Science Club; Sports Club; Checker Club; Meteorology Club 3.

Another one of our big letter-men is Johnny. He has been a mainstay of the varsity football squad for two years. "Johnny" started his eventful football career by scoring a touchdown against York in the opening game in '34. He then continued throughout the past two years. He is a hard worker both on the gridiron and in other school activities and deserves the best which the world has to offer.

EVELYN SONNIK *"EV"*

General Course : Periscope Staff 4; Glee Club 1, 3; Dramatic Club 3; Girl Reserves 2, 3, 4; Patrols 3; Stagecraft Club 3; "After Wimpole Street" 4.

A bushel of smiles and a ton of cheer is "Ev," who came to us from Chambersburg. "Ev" takes great delight in dancing which she does very well. Her popularity extends over the entire high school and Dickinson. As Lily Wilson in "After Wimpole Street" Evelyn proved herself an actress of no mean ability. She plans to attend Wayburn School of Dancing and Dramatics.

ALMA SPECK *"ALMA"*

General Course : A. A. 1, 2, 3, 4; Glee Club 2; Dramatic Club 3, 4; Girl Reserves 1, 2, 3, 4; Declamations 3.

Quiet, reserved, and pleasing to look at is Alma. She likes to dance and have a good time, and also likes the opposite sex. Alma has a beautiful speaking voice and plans to attend a school of dramatics in the fall.

ALDUS SPICKLER *"PETE"*

Commercial : A. A. 3, 4; Football Team 4; Junior Varsity Football 3; Tumbling Team 2; Study Hall Patrol 4; Commercial Club 4, Secretary; Boys' Tumbling Club 3; "The Sleeping Beauty" 3.

Here we have an enthusiastic commercial student. "Pete" not only ranks well in his studies but is a loyal supporter of the commercial class. Just as a warning, don't try to argue with "Pete," for it is remarkable how well he can always prove his points and convince you that he is right. By the way, did you ever mention the name "Ruthie" to Aldus? Try it and watch his face light up like a candle. With Ruth as an inspiration "Pete" is sure to succeed in whatever he does.

MILDRED STONE *"MID"*

General Course : Glee Club 2, 3, 4; Girl Reserves 1, 2, 3, 4; Library Club; French Club 3; Typing Club 4; Household Mechanics 4; "The Sleeping Beauty" 3; Cashier 4.

"Mid" hails from out of town, but many of her friends are found in Carlisle High. She is quite dignified. The Glee Club, dancing, and sewing all claim her undivided attention. A college career does not interest her, for she is always quite captivated by masculine charms and plans to settle down soon after leaving Carlisle High.

FRANK STRINGFELLOW *"SNOOKS"*

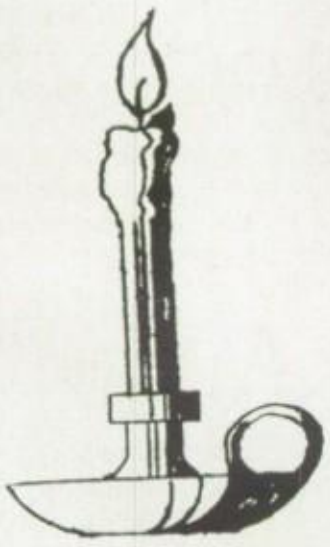
Manual Arts Course : A. A. 1, 2, 3, 4; Student Council 2, 3; Varsity Club 1, 2, 3, Football Team 1, 2, 3; Track Team 2, 3, Captain 3; Tumbling Team 2, 3, 4, Captain 3, 4; Study Hall Patrol 2, 3, 4; Hall Patrol 3, 4; Hi-Y Club 3, 4; Glee Club 2, 3, 4; Choir 3, 4.

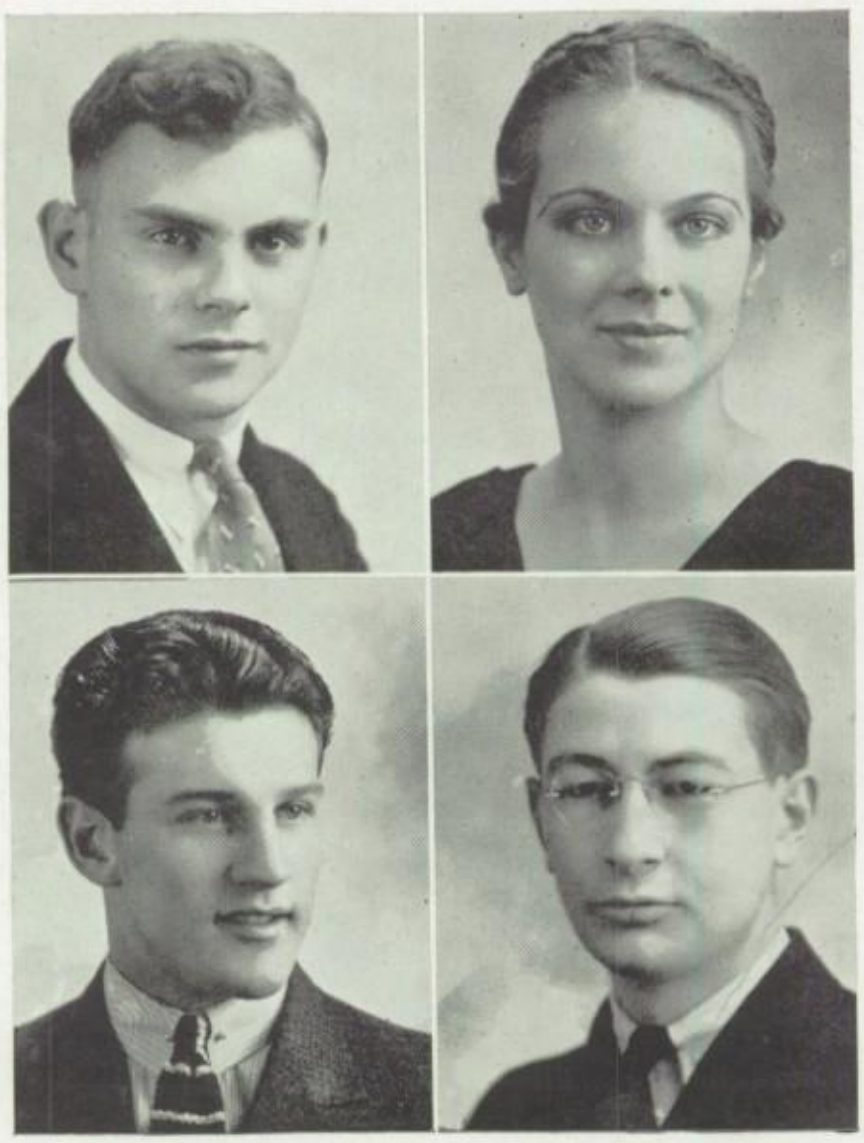
"Zoom-zoom" no, it's not static. It's "Snooks's" imitation of a bass fiddle. It isn't any wonder he is the best singer of the class. Everyone has heard him crooning in the halls or in Study Hall, of which he is usually in charge. He certainly keeps study hall quiet. "Snooks'" popularity will be a great help to him in any field. His pleasing personality and sunny disposition will make him popular wherever he goes.

WILMER STROHM *"HORNER"*

General Course : Hi-Y 2, 3; Local History Club 4.

Who's asleep in Arithmetic class? Why Horner of course. And yet he doesn't always sleep. No, Sir. When "Horner" is awake, does he argue? He makes us bow in shame before his mighty tongue. And yet "Horner" has helped us greatly in getting "ads" for the Oracle and in giving timely advice. Thus by doing the right thing at the right time, and amusing himself and others in between times, "Horner" has made his high school days pleasant, jolly and full of good-will.





MARSHALL SUTTON *"MARSHALL"*

Commercial Course : A. A. 1, 2, 3, 4; Glee Club 1, 2; Student Council 2, 3; Dramatic Club 2, 3; Band 1, 2, 3, 4; Orchestra 1, 2, 3, 4; Home Room Officer, Secretary 3, Treasurer 4; Commercial Club 4.

Who is that good looking Romeo coming down the hall? Why don't you know? He's the famous trombonist in Bobby Hair's orchestra. Marshall's future seems to be sunny and bright. First he could easily qualify for a clerical position as he is an excellent commercial student. Second, he has a promising musical career; and lastly he could go to Hollywood and put Bob Montgomery or Clark Gable to shame. But in spite of these promising careers Marshall's secret ambition is to be a state policeman.

MARGARET TICE *"PEG"*

General Course : A. A. 2; Glee Club 1, 2, 3; Dramatic Club 4; Girl Reserves 1, 2, 3, 4; Declamations 3, 4; Science Club 3, 4; Math Club 4.

A brown-haired, gray-eyed girl with dimples and a jolly disposition. When she makes friends she keeps them. She is a good sales girl and gets a great deal of practice at this work. She likes to play tennis and next to that, the piano. Her ambition is to go to Shippensburg State Teachers College to become a teacher. For this work she seems well suited.

ANN TRANORES *"ANN"*

Commercial Course : A. A. 1; Student Council 1 Spanish Club 3; Commercial Club 4.

"Speech is great, but silence is greater." This is Ann. Although she does not talk much she is always interested in listening to others, and when she does say something, it is usually worthwhile and commands the attention of all those around her. Ann's dark hair and eyes are the envy of all the girls and cause many glances of admiration to come her way. Her pleasing personality will carry her far.

MARGARET WAGNER *"KITS"*

General Course : Glee Club 2, 3; Student Council 2, 3; Girl Reserves 1, 2, 3, 4; Band 1, 2; Tumbling Team 1; Home Room Officer, Vice President 4; Study Hall Patrol 1, 2, 3; Hall Patrol 2, 3; "Hansel and Gretel;" Handicraft Club 4; Radio Club 4.

Carefree, goodlooking, good-natured, and independent is "Kits." Her vivacity makes her popular with every one, especially with the Dickinson students. With her happy disposition Margaret's future will be a happy one.

BERNICE WASHINGTON *"BERNICE"*

General Course : Girl Reserves 4.

"Never trouble trouble till trouble troubles you." This is Bernice's motto and it must work very well, for Bernice is always happy and telling merry jokes. She very naively says : "I belong to the Union; my books are closed at night, therefore I know the precise phychological moment to say nothing—especially in P. D. Class." She is interested in sewing, music, typing, and athletics. Bernice plans to be a nurse and her sunny face will be welcome in many a sick room.

ROBERT WEIDNER *"BOB"*

General Course : A. A. 1, 2, 3, 4; Glee Club 2; Student Council 1; Hall Patrol 4; Hi-Y Club 3, 4; Stagecraft Club; Science Club, Treasurer.

Bob has been the cause of many amusing incidents through our school days. He is a great follower of football and basketball and he also enjoys playing a game, but he does not neglect his studies. All in all, Bob is a good sport and has many friends in C. H. S. We all hope he has as much fun in the future as he has had in the past.

KATHLEEN WENTZ *"KAS"*

General Course : Glee Club 1; Dramatic Club 4; Girl Reserves 2; Gym Revue 1; Mechanics Club 4; Nature Study Club 4.

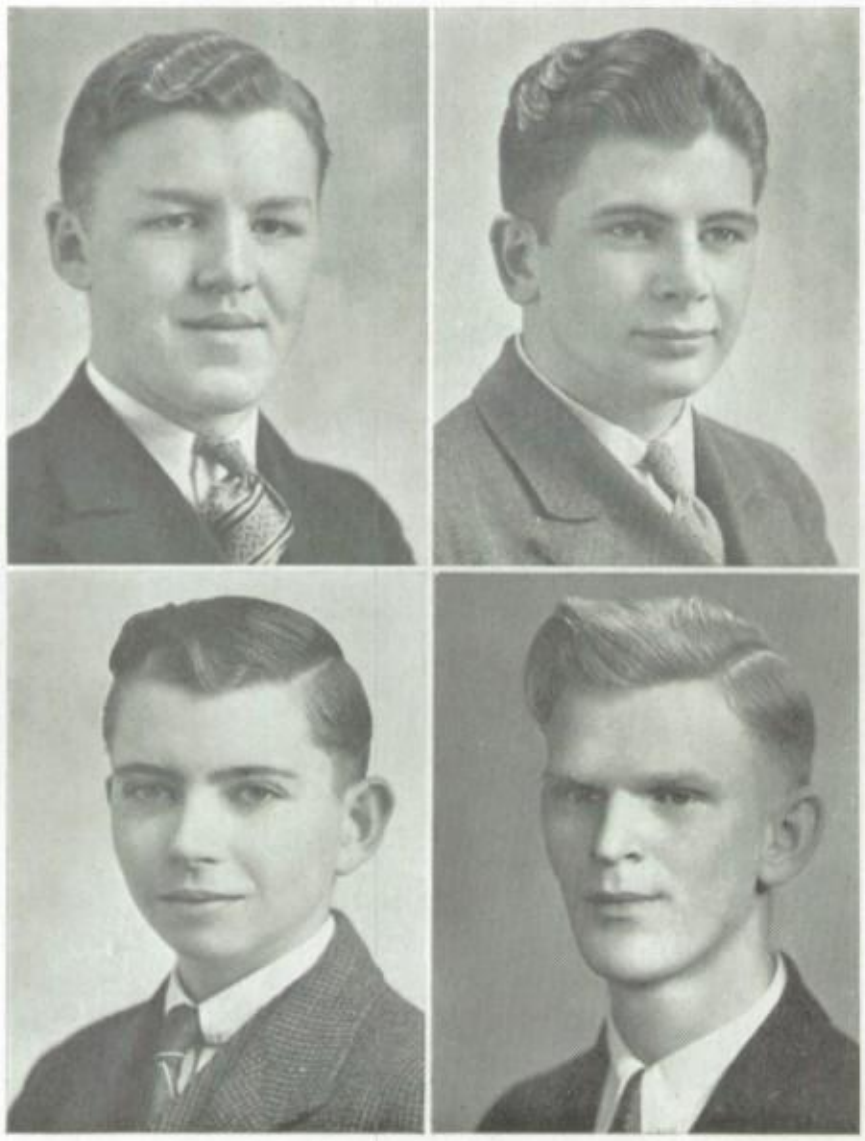
There is whispering in the Home Room. Kathleen leans from side to side. Whispers to each one so loudly. Seems a bee-hive is inside. French and P. D. cause the trouble as is plain now to be heard. Useless boys she next reports on and she means her every word. Fearlessly she says : "In school, while I live, men shall not rule." While she whispers lots and chatters, yet this helps us when we're blue, for we find our troubles shattered and we love her for it too.

CHARLES WILSON *"CHARLIE"*

General Course : Home Room Officer 4, Secretary 4; Study Hall Patrol 4; Airplane Club; Stamp Club; Checker Club.

Charlie is a good student and specializes in science. He has many friends and likes to have plenty of fun. Perhaps it is because he comes from Churchtown that he yearns for excitement.

SENIORS



BERNARD WINKLEMAN *"WINKEY"*

Manual Arts : A. A. 1, 2, 3, 4; Student Council 2, 3, 4; Varsity Club 4; Football Team 3, 4; J. V. Football 2; Home Room Officer 1, President; Study Hall Patrol 3, 4; Hall Patrol 4; Hi-Y Club 3, 4; Stagecraft Club 3, 4, President.

This red-headed affable young man of the Manual Arts section is known by the whole high school. The girls know him for his dancing ability, while the boys know him for his prowess cn the gridiron and also for his complaisance in and out of school. A well-liked, polite, and friendly young man, "Winkey" is certain to impress his associates after high school, as he has impressed us of the high school.

CLAYTON ZEIGLER *"FLASH"*

Manual Arts Course : A. A. 1, 2, 3, 4; Varsity Club 3, 4; Football Team 3, 4; J. V. Football 1, 2; Basketball Team 4; J. V. Basketball 2; Track Team 3, 4; Clothing Club 3; Stagecraft Club 4.

Here is one of the athletes of our class. "Flash" can well be called an athlete, for he is outstanding in football, basketball, and track. "Flash" is also good-looking and well-liked, but bashful. Clayton's plans for the future are not definite.

J. LLOYD ZEIGLER *"JAY"*

General Course : A. A. 4; Band 1, 2, 3, 4; "Daddy Long-Legs" 3; Camera Club; Local History Club; Clothing Club; Senior Science Club 4.

"Jay," an all around good fellow, is a very good student. This has been proved by the way in which he has attacked his Latin for four years. Besides his studies he has found time to be a loyal member of the Band. He expects to continue his studies at college next year.

OLIVER SPAHR *"SPARKY"*

General Course : Track Team 4; Stagecraft Club 4; Science Club 3.

"Sparky" is a lanky lad who is well liked by his classmates. He is interested in aviation and is also a famed Spring Garden Street magician. We wish him success in future life.

CLASS SONG

CARLISLE HIGH SCHOOL, O

Tune: "Wearing of the Green"

We're gathered now, my classmates to join our parting song
To pluck from mem'ry's wreath the buds which there so sweetly throng;
To gaze on llife's broad ruffled sea to which we quickly go
But ere we start we'll drink the health of Carlisle High School, O.

Chorus

Oh! Carlisle High School, O; Oh! Carlisle High School O,
But ere we start we'll drink the health of Carlisle High School, O.

We go to taste the joys of life, like bubbles on its tide
Now glittering in its sunbeams and dancing in their pride
But bubble-like they'll break and burst, and leave us sad, we know
There's none so sweet as memory of Carlisle High School, O.

Then brush the teardrops from your eye and happy let us be,
For joy alone shall fill the hearts of those as blest as we;
One cheerful chorus, ringing loud, we'll give before we go
To memory of future days and Carlisle High School, O.

CLASS POEM

Painted in blue with sails of gold
"36" comes slowly to anchor
The sails are reefed, the lines made tight
We rest in "Commencement's harbor."

And here as we backward gaze on those years
Which were spent on the cruise of the "Blue and Gold"
A fleet of tiny ships appears
To bear each one in the future untold.

Four years we have cruised together
Wonderful years we all agree,
Will each lone ship safely weather
All the storms of the future sea?

We launch our boats on the outward tide
Each manned with a member of our crew
We smile with joy, yet we confide
The parting contains some sorrow too.

"He conquers who conquers himself," we say
This motto shall guide our trips
We plan great things that we shall do
As we sail our staunch little ships.

Our banners we have and bid farewell
But regret and hope perturb each mind
As we set our boys to the ocean's swell
And leave old C. H. S. behind.

CLASSES

In a little old fashioned class room a group of eager boys and girls sat. Their text books were few in number, but interesting to them. The same teacher taught them science and history, for the time for specialization had not yet come. Much attention was given to the mastery of facts. But the teachers were just as eager and just as much interested in making the preparation of the boys and girls a complete one as they are today. The absence of scientific equipment taxed the ingenuity of the teachers and much praise is due them for the original ways and means to which they resorted in order to present scientific facts in a way interesting to their pupils . . .

IN a history classroom more comfortable and better equipped another class of boys and girls sit. A teacher, a specialist in her field, is teaching. Less attention is being paid to historical facts; more attention to social and economical relationships.

In a well equipped laboratory under the direction of a specially trained teacher, boys and girls are making scientific experiments. Added interest is brought to the class through the reading of magazines and scientific journals. The coming of the automobile, the radio, and the airplane has created an awakened interest in science and invention that the boys and girls of the long ago did not share. In both of the fields of history and science these men and women of tomorrow are being trained to live and progress with their national and international neighbors.

JUNIORS

OFFICERS

President	Robert Masland
Vice President	George Bosler
Secretary	Joyce Cooper
Treasurer	Paul Trimmer

The Juniors took an active part in extra-curricular activities and helped to make the year 1935-1936 a success. This was most evident in athletic events in which the Juniors were prominent.

The Class of '37 also purchased a new ring which was quite different from the rings of the past. However, many thought that Christmas would come before the rings would arrive.

The Juniors sponsored the dances on Friday nights after the basketball games. When the games were played out of town, dances were also held from 8:00 - 10:30. A large dance was held on March the twenty-seventh in the High School Gymnasium with Jack Dress' orchestra furnishing the music. Another means of making money was a very successful rummage sale.

The activities of the year ended with the annual Promenade, which with lovely decorations, delicious refreshments, soft lights, and sweet music was a great success.

The Sophomore class opened the school year with a Hallowe'en party which was a huge success. There was not a great deal to do during the rest of the school year, but everything attempted was done with a will.

The Sophomore class contributed a number of athletes to the football and basketball teams. Likewise the Soph's did very well in intra-mural sports. Both the boys' and girls' basketball teams made a good showing by even defeating the upper classmen in some of their contests. The Sophomore boys' volley ball team was literally a "thorn in the flesh" of the Junior and Senior teams. Conceded not a chance at the beginning of the season, the team completely surprised everyone by not only winning the majority of the games, but also winning the championship game from the Seniors in a grueling battle.

Then with the advent of the baseball season, the softball league was formed. Again the 10th Grade boys' team made a "better than usual" showing by defeating many of the older boys' teams.

The year 1936 has been a victorious one for the Sophomore class.

Several weeks after the opening of school the Freshman Class came together and selected members of their class for the several offices. After the elections the class spent the remaining part of the year in acquainting themselves with the habits and customs of the school.

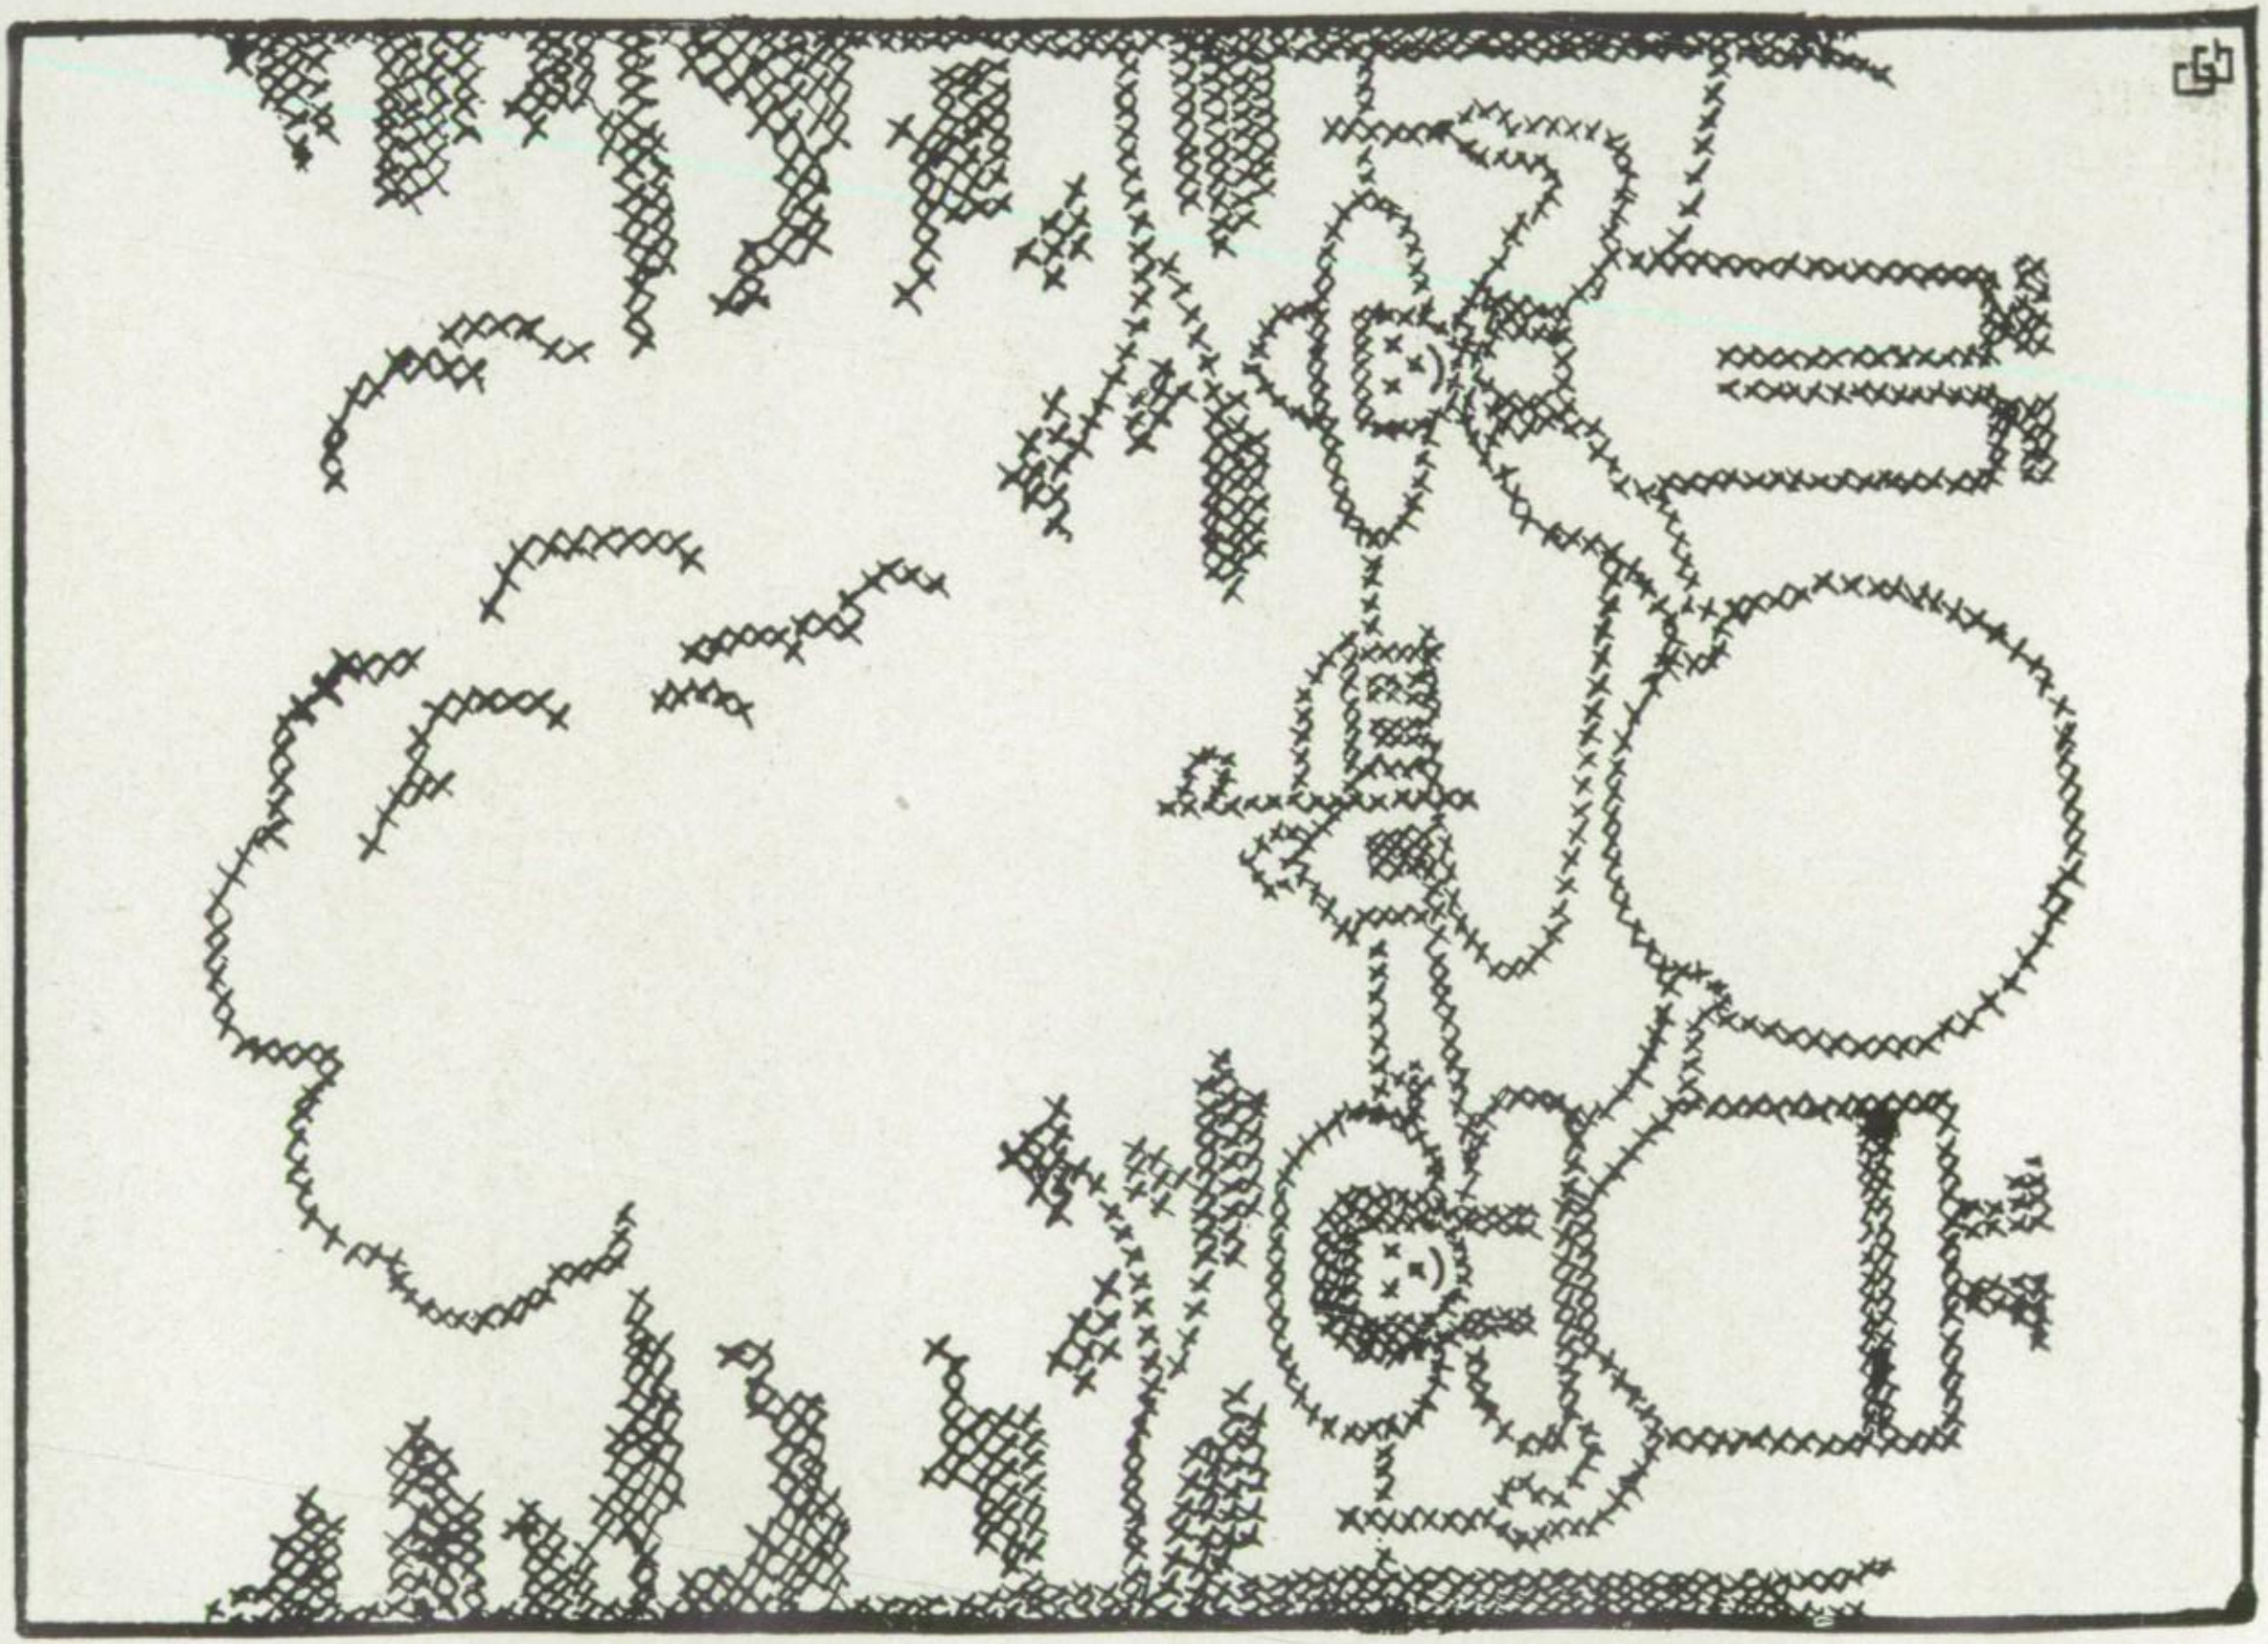
ATHLETICS

Play has always formed a part of the school day. In the days of a century ago twenty minutes of each morning and afternoon were given to play. The game of tag, fox and geese and baseball were enjoyed by all. In play the girls and boys learned cooperation and sportsmanship. Playing in the open air gave them strong healthy bodies. Many a happy experience was tucked away in the memory of a boy or girl to be recalled in future years . . .



ATHLETICS

TODAY much of the out-of-door play takes place before and after school. In the early fall boys clad in football togs cross the play ground on their way to the new athletic field to practice for the coming games. During the winter inter-scholastic basketball games are played in a well equipped and comfortable gymnasium. Under the instruction of carefully trained men and women who are both teachers and coaches, the boys and girls develop strong healthy bodies. They, too, learn to cooperate and to play the game fairly.

ATHLETIC COMMITTEE

This year the A. A. Executive Committee met each Monday to transact business. They paid all bills in connection with the football and basketball teams. They also took care of our injured football heroes. During the year the committee purchased much new equipment which was very much needed.

. . COACHES . .

After surveying the fine records of the athletic teams of Carlisle High School, we naturally look for the motivating force. If we look deep enough, we find that three men, Mr. Eby, Mr. Williams, and Mr. Mountz, are the forces behind the scores. It was mainly through their fine leadership that the football and basketball teams enjoyed a successful season.

We, as representatives of C. H. S., wish to thank these men for all their efforts and labors in helping to give to the Carlisle High School the reputation that it has in athletic circles.

FOOTBALL

SENIOR VARSITY

Football season for the Green and White opened on the 26th of August. when Coaches Williams and Eby led a group to the Y. M. C. A. Camp at Laurel for ten days of strenuous exercise. At camp the prospects for the year's team were very bright. After coming home from camp the team practiced and scrimmaged for the next three weeks. Finally on the 28th of September, Captain Morrison led a strong "Green and White" team onto Biddle Field to play Newport.

The Green and White led by Captain Morrison and McCoy pushed over two touchdowns in the first and second quarters to hold a lead of 26 to 0 at halftime. Carlisle scored twice in the fourth, and the Perry County visitors went home on the short end of a 40 to 0 score.

The following Friday, Carlisle met the Carlisle Y. M. C. A. team on our own field. The team played without the services of Captain Morrison. The "Y", with a much heavier team, held us on even terms during the first quarter. However, in the second quarter Chamberlain, midget Carlisle center, fell on a blocked punt to score a touchdown and Bowersox kicked a perfect placement for the only score of the game. Again C. H. S. came out on top with a 7 to 0 score.

Carlisle's next opponent was Lemoyne. Again the "Thundering Herd" ran roughshod over its opponent and defeated the Lemoyne "Trojans" by a 19 to 0 score. McCoy led the attack and played beautifully on the defense.

On the following Saturday, C. H. S. ran into trouble with the New Cumberland "Tigers." N. C. Hi tied the score in the third quarter at 13 to 13 and were touchdown-bound during the last seconds of the game until Morrison, by a very beautiful bit of strategy stalled for time and saved the game.

Carlisle's "Thundering Herd" tasted blood on the following Friday in its first conference game and also its first night game. The team journeyed to Hanover to meet the "Nght Raiders" of H. H. S. and turned them back to the tune of 6-0.

But the "Thundering Herd" also tasted defeat the following Saturday at the hands of the champion Chambersburg team. Carlisle was outplayed in all departments of the game and was handed its first defeat by a score of 6 to 13.

But the most bitter defeat of all came one week later when Shippensburg cleaned house with C. H. S. and sent us dejectedly home, defeated by the score of 12 to 0. Carlisle never gave up and fought hard until the last whistle blew.

Carlisle, still remembering the last game, went on the field the following week to meet the "Lttle Bullets" from Gettysburg. G-burg must have still remembered last year's humiliating game, for they tore C. H. S. to pieces and handed us our third straight defeat. They carried home the bacon across the mountains to the tune of 6-18.

On Thanksgiving Day, the scrappy Carlisle team met its traditional rival, Mechanicsburg, on Biddle Field. The field which was wet from continual rains, made the game rather slow at first. But in the third quarter, the "Thundering Herd" gained momentum and with James McCoy carrying the ball went over for the only touchdown of the game. McCoy then sealed the fast-fading hopes of Mechancsburg by converting the extra point. This was the only score throughout the game and once more the "Green and White" conquered the "Maroon and Gray."

On Thanksgiving evening, a banquet was held for the football men at the Argonne Hotel. Mr. Cope, the faculty manager of athletics, was the very able toastmaster, and kept the situation well in hand. The speakers of the evening were Coaches Williams and Eby, Dr. Levan, and Paul Morrison, captain of the team. The lettermen then elected Edwin Gunderson, varsity tackle, captain of the 1936 team. Three weeks later before the assembly, nineteen lettermen received letters for their services. The winners of these letters were: Captain Morrison, Daniel Bowersox, Clayton Zeigler, Henry Flora, Bernard Winkleman, John Snyder, George Alexis, John Chamberlain, Edwin Gunderson, James Hargis, Chester Sheaffer, Robert Snyder, James McCoy, Albert Murtoff, John Ream, Charles Lightner, Homer Goodhart, and the two Senior Managers, John Carroll and James Greist.

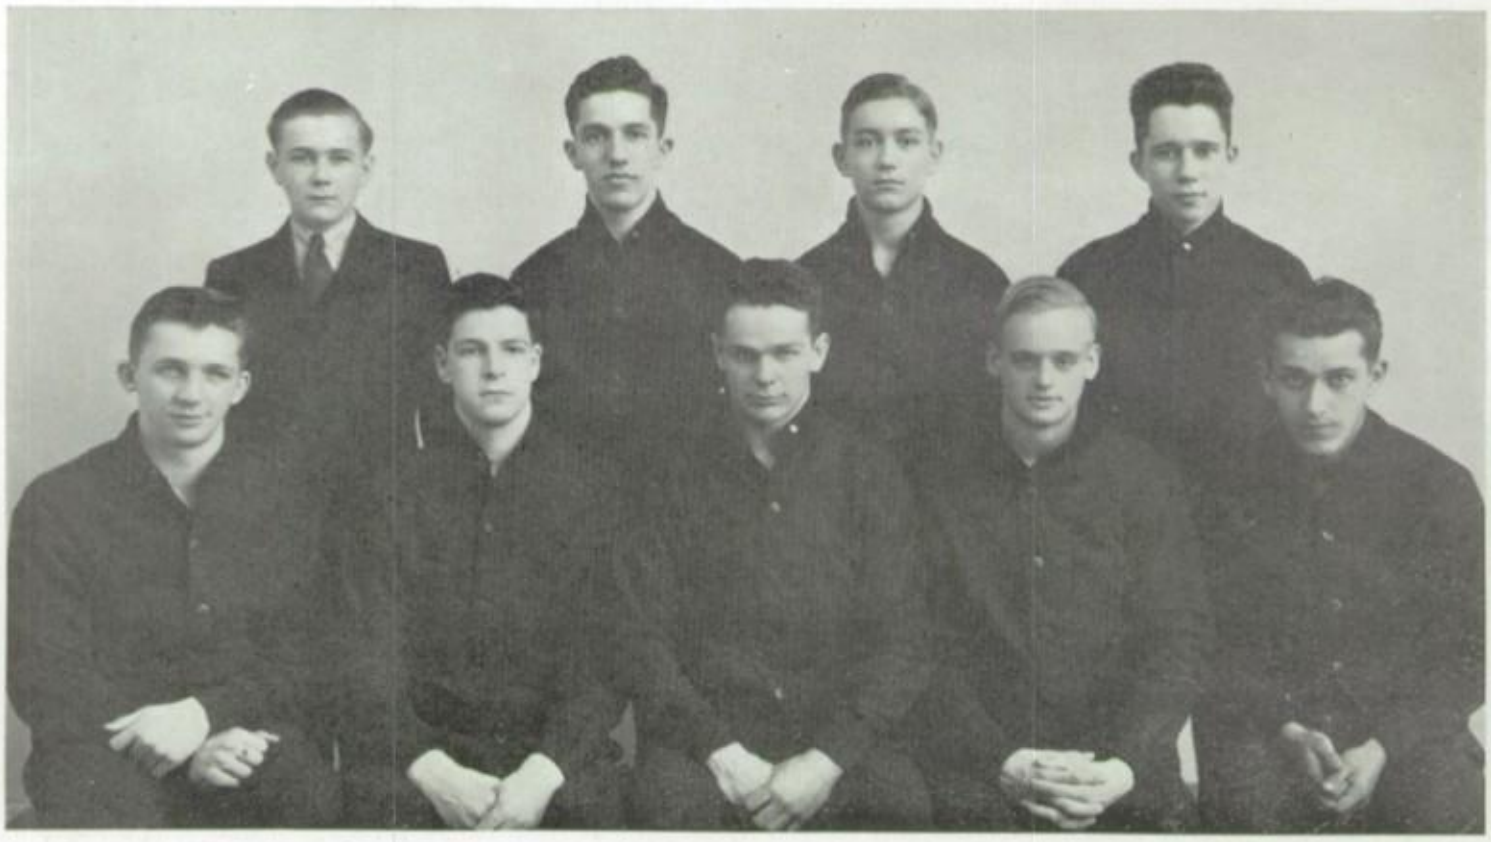
BASKETBALL



SENIOR VARSITY

The Carlisle High School Basketball Season started the first week in December with many answering the call of Coaches Williams and Eby. After several weeks of practice, the squad finally cut to twenty men and the molding of the team was begun. The lid was kicked off the 1935-36 fifteen game schedule, on December 13, when Lemasters High School sent its five here. The invaders were turned back by the Green and White 42-23. Hertzler and Trimmer together contributed twenty-six points.

A week later, Carlisle journeyed to Hershey and came home on the short end of the score, 15-22.

On December 30, the Varsity handed the Alumni team a setback, 38-20. Hertzler, Bowersox, and Trimmer starred for the Green and White, while Dale Remaly and Gilbert Hertzler, the stars of last year's team, played stellar basketball for the Alumni. An older alumni team lost to the faculty, 36-28.

The Green and White continued its interscholastic competition on January 3, by handing Newport a 58-7 setback on our own floor. Every man on the squad saw service in this game.

C. H. S. next played Chambersburg at home. Our old rivals were subdued 42-16. Trimmer, star forward, had eighteen points.

Through its inability to hit the basket, C. H. S. lost to Gettysburg on January 17, the score being 17-24.

Mainly through the efforts of Mechanicsburg's diminutive forward, Koons, Carlisle, lost its next game to its traditional rival. This game was played at Carlisle on January 28, and was spiced with keen rivalry.

On February 1, Carlisle traveled to Chambersburg and won its fifth victory of the current season by a score of 29-17. Trimmer and Hertzler starred for the locals.

Three days later, Hanover visited Carlisle and was defeated 46-35. Trimmer was again the defensive star, while Morrison turned in a good game at guard.

On the following Saturday night, C. H. S. defeated the Dickinson Freshman 29-23.

February 11 brought Hershey to Carlisle to be defeated and to revenge a former defeat by a score of 33-25.

Gettysburg was the next victim. C. H. S. subdued them on the local court 41-27 with Bowersox getting eleven points. A week later C. H. S. met Mechanicsburg on their floor and were repelled for the second time 16-29.

The next game took place at Shippensburg with Carlisle winning, 40-19.

On March 3, Carlisle again met Shippensburg at home. The game turned out to be a marathon for C. H. S. with the overwhelming score of 44-12.

The last scheduled game of the season was played at Hanover on March 6. The team finished a fine season by coming home on the long end of a 37-27 score.

This year upon graduation, Carlisle will lose Paul Morrison, Daniel Bowersox, Clayton Zeigler, and George Alexis.

GIRLS' SENIOR TEAM—CHAMPIONS

Margaretta Boyne
Mary Jane Brenneman
Betty Burgett
Maxine Fry

Louise McCoy (Capt.)
Ruth Mixell
Margaret Mohler

This year the girls began their basketball activities with intersectional games. The Senior Generals were the winners of this tournament. The members of this sectional team were Boyne, Brenneman, Burgett, McCoy, Frey, Mohler, Mixell, and Kitzmiller.

Intra-mural basketball followed the tournament. The Sophomores played the Juniors and it was a question as to who were going to win, but the Juniors finally won by a score of 7 to 8. Then the Seniors took the Juniors over in a less interesting game. It was no great question this time as to who the winners would be, for the Senior class had had a most successful basketball career since entering as Freshmen. They had been "champs" in their Sophomore year, which honor won for them their numerals. There is no doubt that C. H. S. would be able to put a strong girls' basketball team into inter-scholastic basketball.

ORGANIZATIONS

It is Friday evening in the long-ago. Students have assembled in a class room to have a spelling bee. Two are standing in the middle of the floor with the teacher's pointer in their hands, deciding who shall choose first. Soon the boys and girls are lined on the opposite sides of the room, eagerly awaiting the pronunciation of the first word. After an hour of intellectual fun they trudge home feeling that they have had a thoroughly good time. The spelling bees, singing schools and old fashioned picnics were the extra curricular activities in the good old days, a century ago . . .

ORGANIZATIONS

IT is a Wednesday afternoon in the year nineteen hundred and thirty-six. Assembled in the many classrooms of the Lamberton Building are many groups of boys and girls. One group is discussing dramatics; another group is knitting. A group of French students are listening to a French exchange student who is speaking of customs in her home land. Many a boy or girl through his club finds a hidden talent and a vocation for future life. Extra curricular activities have become an important part of the life of a student.

Troop No. 214 of the National Thespians started out with much pep this year. Its seven active members at the regular bi-monthly meetings discussed dramatics in general.

After "Growing Pains," in which all the seven members participated in either leading roles, extra roles or directing, several new members were properly initiated. For the Lutheran Youth Conference the club put on a one act religious play entitled "El Cristo."

Several members of the fine cast of "After Wimpole Street" were also initiated.

From this group of active members of the National Thespians there ought to be found, at some time, some future actors and actresses.

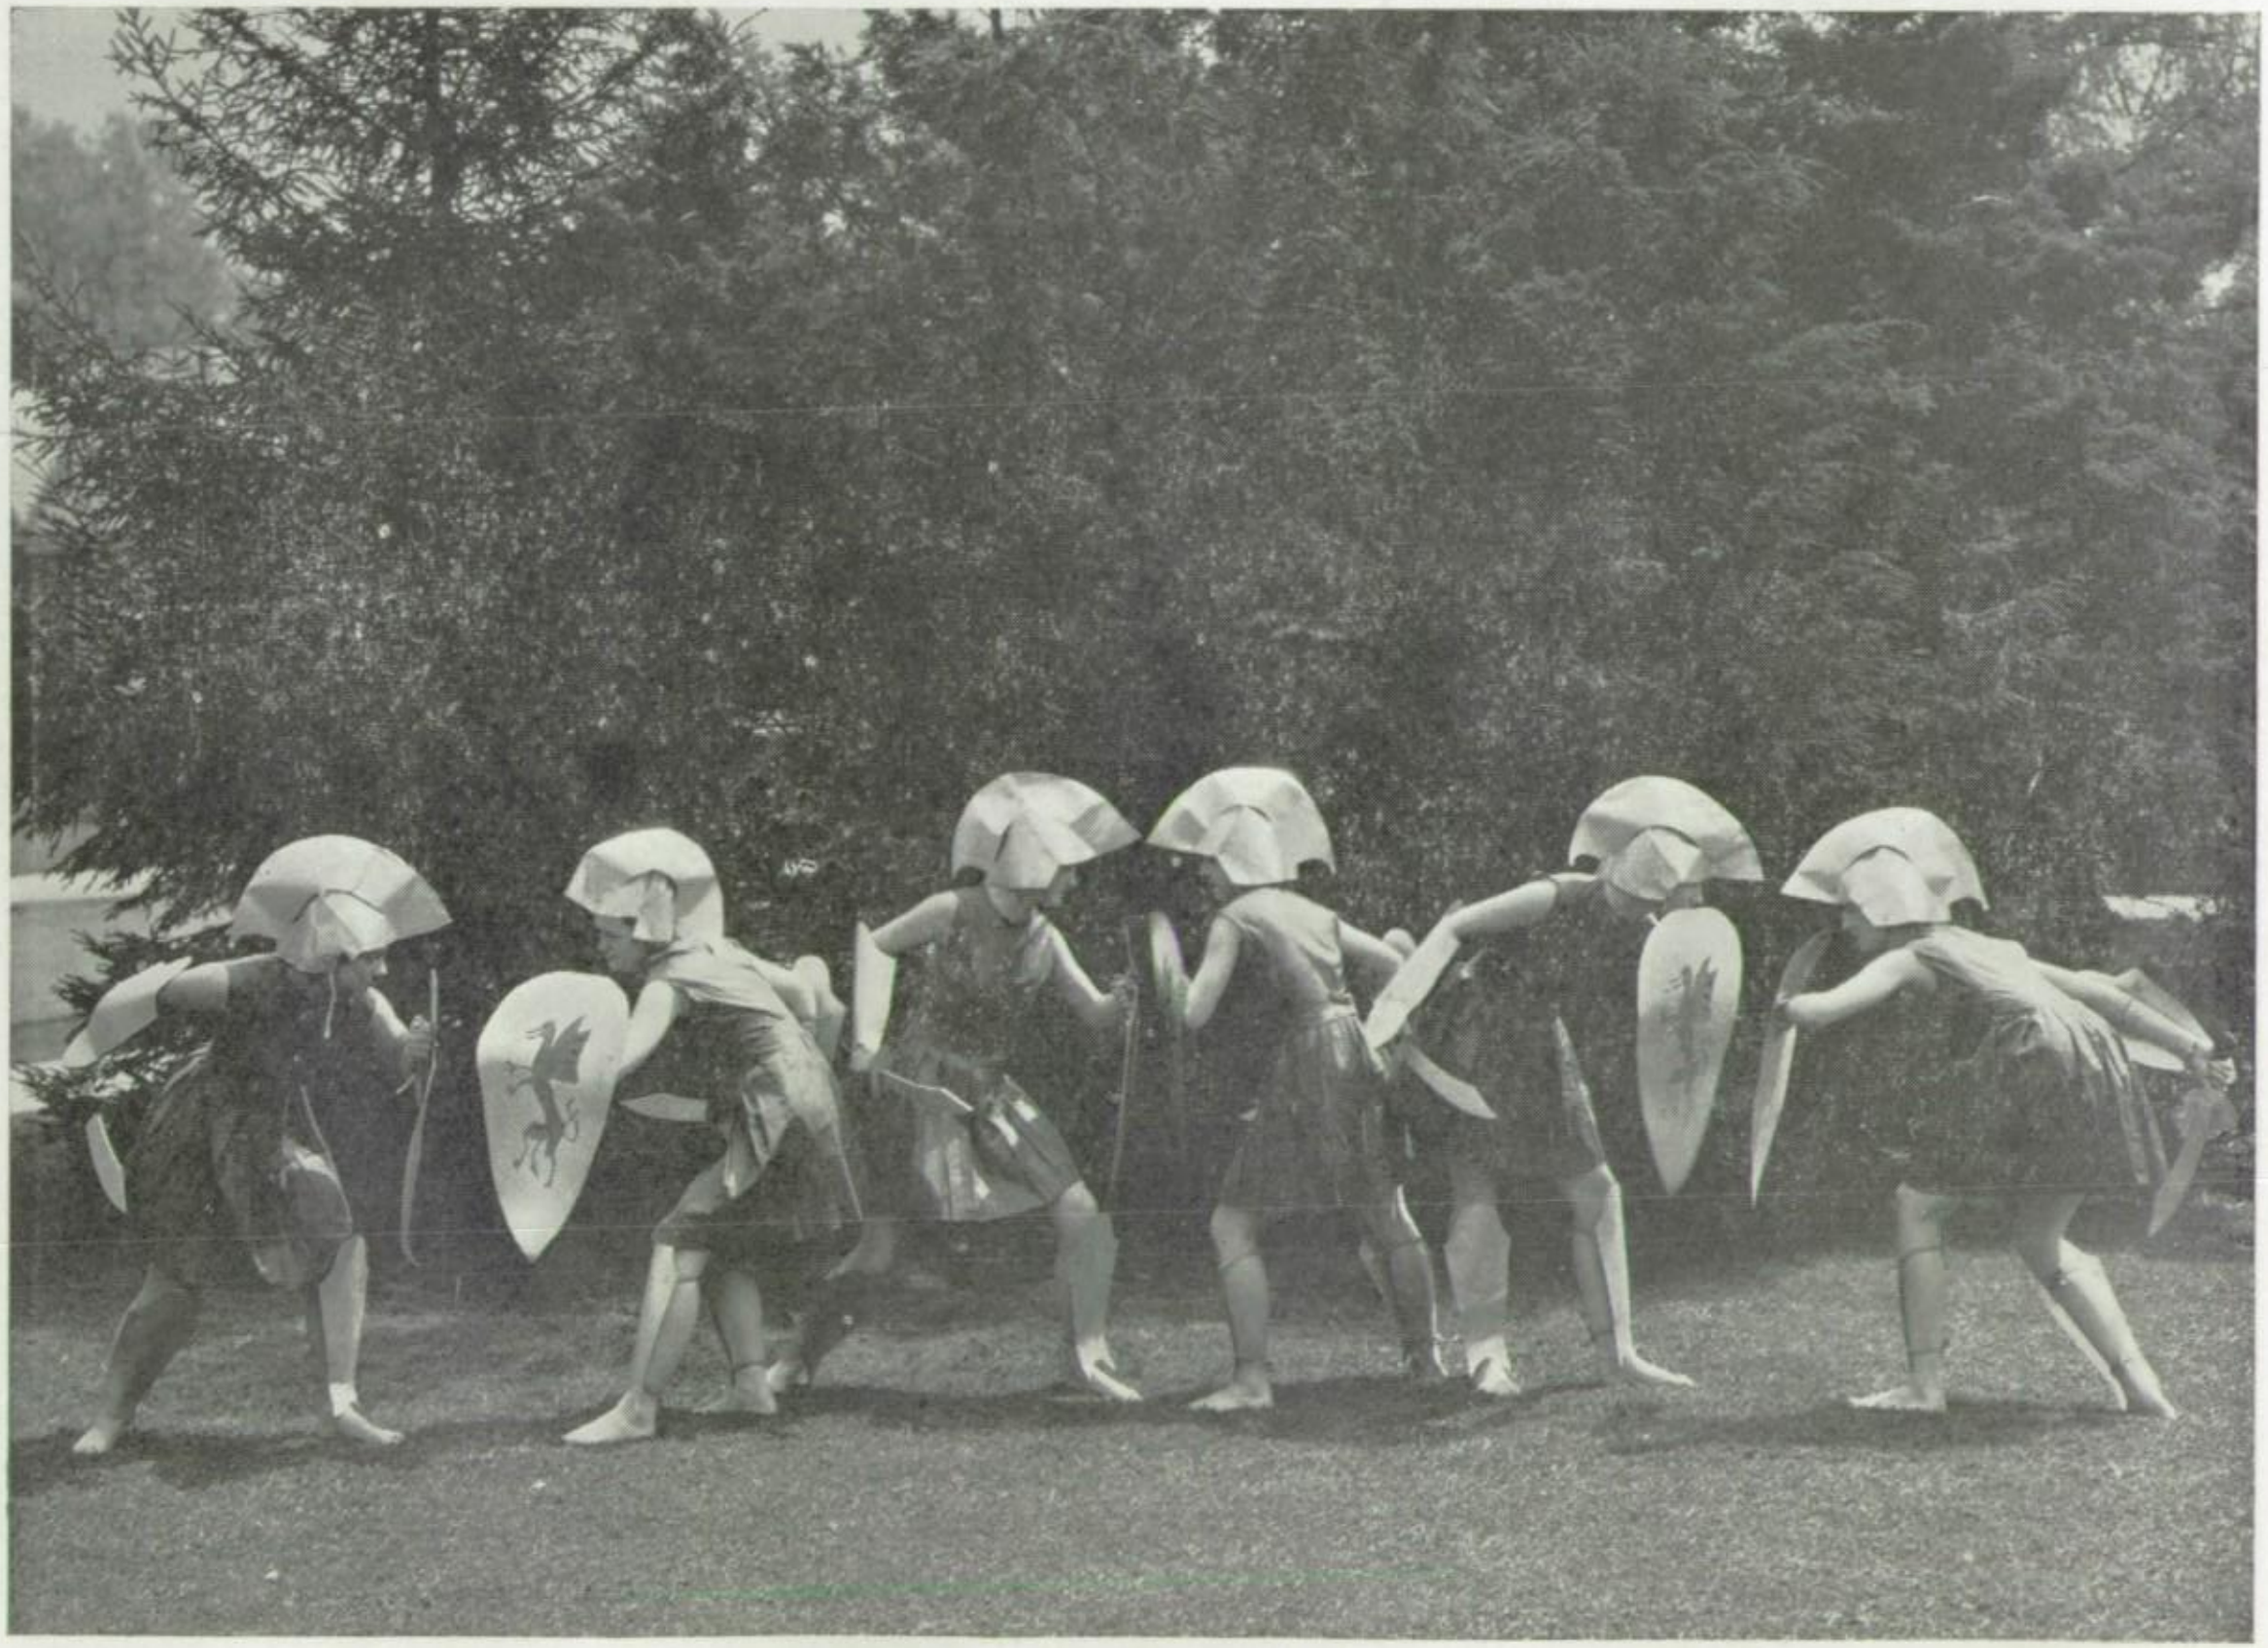
FEATURES

Diaries were kept by our great, great, great grandmothers, but their recorded school experiencies were shared by only a few. In those far-away schools the brightest pupils were honored by being invited to the select school. Here in the presence of proud teachers and equally proud directors, each pupil proved his right to be present. In the olden days having one's picture taken was an event. It is difficult for us to realize that these quaint little men and women who look out of prized daguerreotypes were once the boys and girls of our public schools . . .



FEATURES

IN the modern diary our school experiences are shared and enjoyed by all. The less serious side of school life is kept "lest we forget." As we read the names recorded in the Who's Who Section, we wonder whose names will appear later in "Who's Who in America." In the years to come it may be difficult for us to recognize in the bright happy faces that look out from the pages of this book, the men and women of future years.

HISTORY OF THE PUBLIC SCHOOLS

The Citizens of Pennsylvania were among the first to recognize the value of an education to all people, but their vision of a public school system made little progress during the colonial days.

The act of 1834 which is entitled "An act to Establish a General System of Education by Common Schools" was the beginning of our public school stystem. Thaddeus Stevens met with vehement opposition when he favored this bill, but he finally won and gave the citizens of Pennsyvania their first opportunity to realize their dreams of long ago. The opponents of Thaddeus Stevens did succeed in lessening the value of the act, but the people of Carlisle early took advantage of this golden opportunity and were among the first to do so.

Prior to 1836 the schools were of two classes, private and "poor schools." The private schools were supported and maintained by the parents of students who could afford to send their children to private schools. The "poor schools" were very unpopular because of the distinction shown in this country of equal rights. The poor schools were supported at public expense.

It was during this year that all people, not only the toilers and the men of business, but all the people began to cry aloud for public education. The people of the nation and state and town were in a position to demand public education for all children because they were prospering. People had money and they knew how they wanted it spent.

The leading citizens of Carlisle were in favor of public education and in 1836 they devised a plan whereby all children could receive an education at public expense. It was in the year of 1836 that Carlisle accepted the act of 1834 and took advantage of its provisions. Prof. Gad Day and James Hamilton were the two outstanding figures present at the meeting who accepted the act of 1834. It was through the efforts of these two men that Carlisle established equal rights in education at that time.

The school board organized March 26th, 1836, and on July 4th they planned to open the schools on August 15th of the same year. School houses had to be procured and teachers had to be examined and engaged and all the supplies had to be ready for the students and the courses planned for study. Everything had to be ready to begin one of the greatest undertakings this town had ever attempted. All this preparation had to be completed within the short period of five months.

Fifteen schools were in operation on the 15th of September, 1836. Our first board of directors accomplished what men had been dreaming of for many long years.

Since the establishment of our first public schools Carlisle has almost tripled its population and the schools have advanced side by side with the progress of the nation. There are at present six schools which house several thousand students and another twelve room school is being constructed. Many changes have taken place with the advancement of the nation, such as the establishment of the A and B Grammar schools, the erection of new school buildings, gymnasium, auditorium, and the introduction of a manual arts course for high school pupils. Mr. Charles Lytle Lamberton made possible the manual arts course by bequeathing the funds necessary for the establishment and maintainance of that department.

We are indeed indebted to those honorable men of the past who fought so bravely and so sincerely that we might enjoy the benefits of their efforts—an education at publc expense.

A century has passed since our forefathers laid the foundation of our public schools. Today we voice our appreciation and give our promise that we will "carry on" the work so nobly begun.

A century ago the town crier was a familiar figure as he went up and down the streets crying the weather, the hour of day, a bit of news, and sometimes a cheery good night. A few years later his place was taken by the early newspaper which was published weekly. The news was eagerly read. Perhaps a slave boy had escaped. Perhaps an entertainment was being given in Marion Hall or an old fashioned circus was coming to town. The news was truly local. For many years Kline's Gazette announced important events to the boys and girls of Carlisle . . .

WE are far away from the days of the town crier. Long before the newspaper brings the news to our front-doors, we have heard Lowell Thomas announce over the radio what has happened in London, Toykio, or some other far distant city. There is nothing of any importance that takes place anywhere in the world that is not, in a few moments, broadcast to our living room. Our neighbors are no longer limited to the inhabitants of Carlisle but are found in all parts of the world. News from them is cried not on our streets but in our living rooms by a modern crier, the radio announcer.
